2.12 Validity and Binding Effect of Agreements. The execution, delivery and performance of this Agreement has been duly and validly authorized by the Company, and, when executed and delivered, will constitute, the valid and binding agreements of the Company, enforceable against the Company in accordance with its terms, except: (i) as such enforceability may be limited by bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally; (ii) as enforceability of any indemnification or contribution provision may be limited under the federal and state securities laws; and (iii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to the equitable defenses and to the discretion of the court before which any proceeding therefor may be brought.

2.13 No Conflicts, etc. The execution, delivery and performance by the Company of this Agreement and all ancillary documents, the consummation by the Company of the transactions herein and therein contemplated and the compliance by the Company with the terms hereof and thereof do not and will not, with or without the giving of notice or the lapse of time or both: (i) result in a breach of, or conflict with, in any material respect any of the terms and provisions of, or constitute a material default under, or result in the creation, modification, termination or imposition of any lien, charge or encumbrance upon any property or assets of the Company pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement or any other agreement or instrument to which the Company is a party or as to which any property of the Company is a party except breaches, conflicts or defaults that would not reasonably be expected to result in a Material Adverse Change; (ii) result in any violation of the provisions of the Company's Memorandum and Articles of Association (as the same has been amended or restated from time to time, the "**Charter**"); or (iii) violate in any material respect any existing applicable law, rule, regulation, judgment, order or decree of any Governmental Entity as of the date hereof having jurisdiction over the Company.

2.14 No Defaults; Violations. Except as set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus, no material default exists in the due performance and observance of any term, covenant or condition of any material license, contract, indenture, mortgage, deed of trust, note, loan or credit agreement, or any other agreement or instrument evidencing an obligation for borrowed money, or any other material agreement or instrument to which the Company is a party or by which the Company may be bound or to which any of the properties or assets of the Company is subject except for any such default that would not be reasonably expected to result in a Material Adverse Change. The Company is not (i) in violation of any term or provision of its Charter, or (ii) in violation of any franchise, license, permit, applicable law, rule, regulation, judgment or decree of any Governmental Entity, except for such violations that would not be reasonably expected to result in a Material Adverse Change.

2.15 Corporate Power; Licenses; Consents.

2.15.1. Conduct of Business. Except as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus, the Company has all requisite corporate power and authority, and has all necessary consents, authorizations, approvals, licenses, certificates, clearances, permits and orders and supplements and amendments thereto (collectively, "**Authorizations**") of and from all Governmental Entities that it needs as of the date hereof to conduct its business purpose as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus, except for such Authorizations, the absence of which would not reasonably be expected to have a Material Adverse Change.

2.15.2. Transactions Contemplated Herein. The Company has all corporate power and authority to enter into this Agreement and to carry out the provisions and conditions hereof, and all Authorizations required in connection therewith have been obtained. No Authorization of, and no filing with, any Governmental Entity, the Exchange or another body is required for the valid issuance, sale and delivery of the Firm Shares and the consummation of the transactions and agreements contemplated by this Agreement and as contemplated by the Registration Statement, the Pricing Disclosure Package and the Prospectus, except with respect to applicable federal and state securities or blue-sky laws and the rules and regulations of the Financial Industry Regulatory Authority (“**FINRA**”).

2.17 Litigation; Governmental Proceedings. There is no action, suit, proceeding, inquiry, arbitration, investigation, litigation or governmental proceeding pending or, to the Company’s knowledge, threatened against, or involving the Company or, to the Company’s knowledge, any executive officer or director of the Company, or in connection with the Company’s listing application for the listing of the Shares on the Exchange, which has not been disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus and is required to be disclosed therein.

2.18 Good Standing. The Company has been duly incorporated and is validly existing as a corporation and is in good standing under the laws of the Cayman Islands as of the date hereof, and is duly qualified to do business and is in good standing as a foreign corporation in each other jurisdiction in which its ownership or lease of property or the conduct of business requires such qualification, except where the failure to be so qualified or in good standing, singularly or in the aggregate, would not have or reasonably be expected to result in a Material Adverse Change.

2.19 Insurance. The Company carries or is entitled to the benefits of insurance (including, without limitation, as to directors and officers insurance coverage), with reputable insurers, in such amounts and covering such risks which the Company believes are adequate, and as are customary for companies engaged in similar business, and to the Company’s knowledge all such insurance is in full force and effect. The Company has no reason to believe that it will not be able (i) to renew its existing insurance coverage as and when such policies expire or (ii) to obtain comparable coverage from similar institutions as may be necessary or appropriate to conduct its business as now conducted and at a cost that would not reasonably be expected to result in a Material Adverse Change.

2.20.5. Information. All information provided by the Company in its FINRA questionnaire to Representative Counsel specifically for use by Representative Counsel in connection with its Public Offering System filings (and related disclosure) with FINRA is true, correct and complete in all material respects.

2.21 Foreign Corrupt Practices Act. None of the Company and its Subsidiaries or, to the Company's knowledge, any director, officer, agent, employee or affiliate of the Company and its Subsidiaries or any other person acting on behalf of, and with authority from, the Company and its Subsidiaries, has, directly or indirectly, given or agreed to give any money, gift or similar benefit (other than legal price concessions to customers in the ordinary course of business) to any customer, supplier, employee or agent of a customer or supplier, or official or employee of any Governmental Entity (domestic or foreign) or any political party or candidate for office (domestic or foreign) or other person who was, is, or may be in a position to help or hinder the business of the Company (or assist it in connection with any actual or proposed transaction) that might subject the Company to any damage or penalty in any civil, criminal or governmental litigation or proceeding. The Company has taken reasonable steps to ensure that its accounting controls and procedures are sufficient to cause the Company to comply in all material respects with the Foreign Corrupt Practices Act of 1977, as amended.

2.22 Compliance with OFAC. None of the Company and its Subsidiaries or, to the Company's knowledge, any director, officer, agent, employee or affiliate of the Company and its Subsidiaries or any other person acting on behalf of, and with authority from, the Company and its Subsidiaries, is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Department of the Treasury ("OFAC"), and the Company will not, directly or indirectly, use the proceeds of the Offering hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing the activities of any person currently subject to any U.S. sanctions administered by OFAC.

2.23 Money Laundering Laws. The operations of the Company and its Subsidiaries are and have been conducted at all times in compliance in all material respects with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all applicable jurisdictions, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any Governmental Entity (collectively, the "**Money Laundering Laws**"); and no action, suit or proceeding by or before any Governmental Entity involving the Company with respect to the Money Laundering Laws is pending or, to the best knowledge of the Company, threatened.

2.24 Officers' Certificate. Any certificate signed by any duly authorized officer of the Company and delivered to the Representative or to Representative Counsel on the Closing Date shall be deemed a representation and warranty by the Company to the Underwriters as to the matters covered thereby.

2.25 Lock-Up Agreements. Schedule 3 hereto contains a complete and accurate list of the Company's officers, directors and each Control Shareholder (as defined in the Registration Statement) of the Company's outstanding Ordinary Shares (or securities convertible or exercisable into Ordinary Shares) (collectively, the "**Lock-Up Parties**"). The Company has caused each of the Lock-Up Parties to deliver to the Representative an executed Lock-Up Agreement, in a form substantially similar to that attached hereto as Exhibit A (the "**Lock-Up Agreement**"), simultaneously with or prior to the execution of this Agreement.

2.26 Subsidiaries. All direct and indirect Subsidiaries of the Company are duly organized and in good standing under the laws of the place of organization or incorporation, and each Subsidiary is in good standing in each jurisdiction in which its ownership or lease of property or the conduct of business requires such qualification, except where the failure to qualify would not have a material adverse effect on the assets, business or operations of the Company and the Subsidiaries taken as a whole. The Company's ownership and control of each Subsidiary is as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

2.27 Related Party Transactions. There are no business relationships or related party transactions involving the Company or any other person required by the rules and regulations of the Commission to be described in the Registration Statement, the Pricing Disclosure Package and the Prospectus that have not been described as required.

2.28 Board of Directors. The Board of Directors of the Company will on the Effective Date be comprised of the persons set forth under the section of the Pricing Prospectus and the Prospectus titled "Management." The qualifications of the persons serving as board members and the overall composition of the board comply with the Exchange Act, the Exchange Act Regulations, the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder (the "**Sarbanes-Oxley Act**") applicable to the Company and the listing rules of the Exchange. At least one member of the Audit Committee of the Board of Directors of the Company qualifies as an "audit committee financial expert," as such term is defined under Regulation S-K and the listing rules of the Exchange. In addition, at least a majority of the persons serving on the Board of Directors qualify as "independent," as defined under the listing rules of the Exchange.

2.29 Sarbanes-Oxley Compliance.

2.29.1. Disclosure Controls. The Company has developed and currently maintains disclosure controls and procedures that will comply in all material respects with Rule 13a-15 or 15d-15 under the Exchange Act Regulations, and such controls and procedures are effective to ensure that all material information concerning the Company will be made known on a timely basis to the individuals responsible for the preparation of the Company's Exchange Act filings and other public disclosure documents.

2.29.2. Compliance. The Company is and at the Applicable Time and on the Closing Date will be, in material compliance with the provisions of the Sarbanes-Oxley Act applicable to it, and has implemented or will implement such programs and has taken reasonable steps to ensure the Company's future compliance (not later than the relevant statutory and regulatory deadlines therefor) with all of the material provisions of the Sarbanes-Oxley Act.

2.30 Accounting Controls. The Company and its Subsidiaries maintain systems of “internal control over financial reporting” (as defined under Rules 13a-15 and 15d-15 under the Exchange Act Regulations) that comply in all material respects with the requirements of the Exchange Act and have been designed by, or under the supervision of, their respective principal executive and principal financial officers, or persons performing similar functions, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP, including, but not limited to, internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management’s general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management’s general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus, the Company is not aware of any material weaknesses in its internal control over financial reporting, and, if applicable, with respect to such remedial actions disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus, the Company represents that it has taken all remedial actions set forth in such disclosure. The Company’s auditors and the Audit Committee of the Board of Directors of the Company have been advised of: (i) all significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are known to the Company’s management and that have adversely affected or are reasonably likely to adversely affect the Company’s ability to record, process, summarize and report financial information; and (ii) any fraud known to the Company’s management, whether or not material, that involves management or other employees who have a significant role in the Company’s internal controls over financial reporting.

2.31 No Investment Company Status. The Company is not and, after giving effect to the Offering and the application of the proceeds thereof as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus, will not be, required to register as an “investment company,” as defined in the Investment Company Act of 1940, as amended.

2.32 No Labor Disputes. No material labor dispute with the employees of the Company or any of its Subsidiaries exists or, to the knowledge of the Company, is imminent. The Company is not aware that any key employee or significant group of employees of the Company plans to terminate employment with the Company.

2.33 Intellectual Property Rights. The Company and each of its Subsidiaries owns or possesses or has valid rights to use all patents, patent applications, trademarks, service marks, trade names, trademark registrations, service mark registrations, copyrights, licenses, inventions, trade secrets and similar rights (“**Intellectual Property Rights**”) described in the Registration Statement, the Pricing Disclosure Package and the Prospectus and necessary for the conduct of the business of the Company and each of its Subsidiaries as currently carried on and as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus. To the knowledge of the Company, no action or use by the Company or any of its Subsidiaries necessary for the conduct of its business as currently carried on and as described in the Registration Statement and the Prospectus will involve or give rise to any infringement of, or license or similar fees for, any Intellectual Property Rights of others. Neither the Company nor any of its Subsidiaries has received any notice alleging any such infringement, fee or conflict with asserted Intellectual Property Rights of others. Except as would not reasonably be expected to result, individually or in the aggregate, in a Material Adverse Change, (A) to the knowledge of the Company, there is no infringement, misappropriation or violation by third parties of any of the Intellectual Property Rights owned by the Company; (B) there is no pending or, to the knowledge of the Company, threatened action, suit, proceeding or claim by others challenging the rights of the Company in or to any such Intellectual Property Rights, and the Company is unaware of any facts which would form a reasonable basis for any such claim, that would, individually or in the aggregate, together with any other claims in this Section 2.33, reasonably be expected to result in a Material Adverse Change; (C) the Intellectual Property Rights owned by the Company and, to the knowledge of the Company, the Intellectual Property Rights licensed to the Company, if any, have not been adjudged by a court of competent jurisdiction invalid or unenforceable, in whole or in part, and there is no pending or, to the Company’s knowledge, threatened action, suit, proceeding or claim by others challenging the validity or scope of any such Intellectual Property Rights, and the Company is unaware of any facts which would form a reasonable basis for any such claim that would, individually or in the aggregate, together with any other claims in this Section 2.33, reasonably be expected to result in a Material Adverse Change; (D) there is no pending or, to the Company’s knowledge, threatened action, suit, proceeding or claim by others that the Company infringes, misappropriates or otherwise violates any Intellectual Property Rights or other proprietary rights of others, the Company has not received any written notice of such claim and the Company is unaware of any other facts which would form a reasonable basis for any such claim that would, individually or in the aggregate, together with any other claims referred to in this Section 2.33, reasonably be expected to result in a Material Adverse Change; and (E) to the Company’s knowledge, no employee of the Company is in or has ever been in violation in any material respect of any term of any employment contract, patent disclosure agreement, invention assignment agreement, non-competition agreement, non-solicitation agreement, nondisclosure agreement or any restrictive covenant to or with a former employer where the basis of such violation relates to such employee’s employment with the Company, or actions undertaken by the employee while employed with the Company and could reasonably be expected to result, individually or in the aggregate, in a Material Adverse Change. To the Company’s knowledge, all material technical information developed by and belonging to the Company which has not been patented has been kept confidential. The Company is not a party to or bound by any options, licenses or agreements with respect to the Intellectual Property Rights of any other person or entity that are required to be set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus and are not described therein. The Registration Statement, the Pricing Disclosure Package and the Prospectus contain in all material respects the same description of the matters set forth in the preceding sentence. None of the technology employed by the Company has been obtained or is knowingly being used by the Company in violation of any contractual obligation binding on the Company or, to the Company’s knowledge, any of its officers, directors or employees, or otherwise in violation of the rights of any persons.

2.34 Taxes. Each of the Company and its Subsidiaries has filed all returns (as hereinafter defined) required to be filed with taxing authorities prior to the date hereof or has duly obtained extensions of time for the filing thereof. Each of the Company and its Subsidiaries has paid all taxes (as hereinafter defined) shown as due on such returns that were filed and has paid all taxes imposed on or assessed against the Company or such respective Subsidiary except those that are being contested in good faith or as would not, individually or in the aggregate, result in a Material Adverse Change. The provisions for taxes payable, if any, shown on the financial statements filed with or as part of the Registration Statement are, to the best of the Company's knowledge and belief, sufficient for all accrued and unpaid taxes, whether or not disputed, and for all periods to and including the dates of such consolidated financial statements. Except as disclosed in writing to the Underwriters, (i) no issues have been raised (and are currently pending) by any taxing authority in connection with any of the returns or taxes asserted as due from the Company or its Subsidiaries, and (ii) no waivers of statutes of limitation with respect to the returns or collection of taxes have been given by or requested from the Company or its Subsidiaries. To the Company's knowledge, there are no tax liens against the assets, properties or business of the Company or its Subsidiaries. The term "**taxes**" means all federal, state, local, foreign and other net income, gross income, gross receipts, sales, use, ad valorem, transfer, franchise, profits, license, lease, service, service use, withholding, payroll, employment, excise, severance, stamp, occupation, premium, property, windfall profits, customs, duties or other taxes, fees, assessments or charges of any kind whatever, together with any interest and any penalties, additions to tax or additional amounts with respect thereto. The term "**returns**" means all returns, declarations, reports, statements and other documents required to be filed in respect to taxes.

2.35 ERISA Compliance. The Company and any "employee benefit plan" (as defined under the Employee Retirement Income Security Act of 1974, as amended, and the regulations and published interpretations thereunder (collectively, "**ERISA**")) (if any are applicable and subject to ERISA) established or maintained by the Company or its "ERISA Affiliates" (as defined below) are in compliance in all material respects with ERISA. "**ERISA Affiliate**" means, with respect to the Company, any member of any group of organizations described in Sections 414(b), (c), (m) or (o) of the Internal Revenue Code of 1986, as amended, and the regulations and published interpretations thereunder (the "**Code**") of which the Company is a member. No "reportable event" (as defined under ERISA) has occurred or is reasonably expected to occur with respect to any "employee benefit plan" established or maintained by the Company or any of its ERISA Affiliates. No "employee benefit plan" established or maintained by the Company or any of its ERISA Affiliates, if such "employee benefit plan" were terminated, would have any "amount of unfunded benefit liabilities" (as defined under ERISA). Neither the Company nor any of its ERISA Affiliates has incurred or reasonably expects to incur any material liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any "employee benefit plan" or (ii) Sections 412, 4971, 4975 or 4980B of the Code. Each "employee benefit plan" established or maintained by the Company or any of its ERISA Affiliates that is intended to be qualified under Section 401(a) of the Code is so qualified and, to the knowledge of the Company, nothing has occurred, whether by action or failure to act, which would cause the loss of such qualification.

2.36 Compliance with Laws. Each of the Company and each Subsidiary: (A) is and at all times has been in compliance with all statutes, rules, or regulations applicable to the business of the Company as currently conducted (“**Applicable Laws**”), except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Change; (B) has not received any warning letter, untitled letter or other correspondence or notice from any Governmental Entity alleging or asserting noncompliance with any Applicable Laws or any Authorizations; (C) possesses all material Authorizations and such Authorizations are valid and in full force and effect and are not in material violation of any term of any such Authorizations; (D) has not received notice of any claim, action, suit, proceeding, hearing, enforcement, investigation, arbitration or other action from any Governmental Entity or third party alleging that any activity conducted by the Company is in violation of any Applicable Laws or Authorizations and has no knowledge that any such Governmental Entity or third party is considering any such claim, litigation, arbitration, action, suit, investigation or proceeding; (E) has not received notice that any Governmental Entity has taken, is taking or intends to take action to limit, suspend, modify or revoke any Authorizations and has no knowledge that any such Governmental Entity is considering such action; and (F) has filed, obtained, maintained or submitted all material reports, documents, forms, notices, applications, records, claims, submissions and supplements or amendments as required by any Applicable Laws or Authorizations and that all such reports, documents, forms, notices, applications, records, claims, submissions and supplements or amendments were complete and correct in all material respects on the date filed (or were corrected or supplemented by a subsequent submission).

2.37 Emerging Growth Company. From the time of the initial submission of the Registration Statement to the Commission (or, if earlier, the first date on which the Company engaged directly in or through any person authorized to act on its behalf in any Testing-the-Waters Communication) through the date hereof, the Company has been and is an “emerging growth company,” as defined in Section 2(a) of the Securities Act (an “**Emerging Growth Company**”). “**Testing-the-Waters Communication**” means any oral or written communication with potential investors undertaken in reliance on Section 5(d) of the Securities Act. The Company has not (i) alone engaged in any Testing-the-Waters Communications, other than Testing-the-Waters Communications with the written consent of the Representative and with entities that are qualified institutional buyers within the meaning of Rule 144A under the Securities Act or institutions that are accredited investors within the meaning of Rule 501 under the Securities Act and (ii) authorized anyone other than the Representative to engage in Testing-the-Waters Communications. The Company confirms that the Representative has been authorized to act on its behalf in undertaking Testing-the-Waters Communications.

2.38 Environmental Laws. The Company is in compliance with all foreign, federal, state and local rules, laws and regulations relating to the use, treatment, storage and disposal of hazardous or toxic substances or waste and protection of health and safety or the environment which are applicable to their businesses (“**Environmental Laws**”), except where the failure to comply would not, singularly or in the aggregate, result in a Material Adverse Change. There has been no storage, generation, transportation, handling, treatment, disposal, discharge, emission, or other release of any kind of toxic or other wastes or other hazardous substances by, due to, or caused by the Company (or, to the Company’s knowledge, any other entity for whose acts or omissions the Company is or may otherwise be liable) upon any of the property now or previously owned or leased by the Company, or upon any other property, in violation of any law, statute, ordinance, rule, regulation, order, judgment, decree or permit or which would, under any law, statute, ordinance, rule (including rule of common law), regulation, order, judgment, decree or permit, give rise to any liability, except for any violation or liability which would not have, singularly or in the aggregate with all such violations and liabilities, a Material Adverse Change; and there has been no disposal, discharge, emission or other release of any kind onto such property or into the environment surrounding such property of any toxic or other wastes or other hazardous substances with respect to which the Company has knowledge, except for any such disposal, discharge, emission, or other release of any kind which would not have, singularly or in the aggregate with all such discharges and other releases, a Material Adverse Change. In the ordinary course of business, the Company conducts periodic reviews of the effect of Environmental Laws on its business and assets, in the course of which they identify and evaluate associated costs and liabilities (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or governmental permits issued thereunder, any related constraints on operating activities and any potential liabilities to third parties). On the basis of such reviews, the Company has reasonably concluded that such associated costs and liabilities would not have, singularly or in the aggregate, a Material Adverse Change.

2.39 Title to Property. Except as set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus, the Company and its Subsidiaries have good and marketable title in fee simple to, or have valid rights to lease or otherwise use, all items of real or personal property which are material to the business of the Company and its Subsidiaries taken as a whole, in each case free and clear of all liens, encumbrances, security interests, claims and defects that singly or in the aggregate, would materially affect the value of such property and interfere with the use made and proposed to be made of such property by the Company or its Subsidiaries; and all of the leases and subleases material to the business of the Company and its Subsidiaries, considered as one enterprise, and under which the Company or any of its Subsidiaries holds properties described in the Registration Statement, the Pricing Disclosure Package and the Prospectus, are in full force and effect, and neither the Company nor any Subsidiary has received any notice of any material claim of any sort that has been asserted by anyone adverse to the rights of the Company or any Subsidiary under any of the leases or subleases mentioned above, or affecting or questioning the rights of the Company or any Subsidiary to the continued possession of the leased or subleased premises under any such lease or sublease.

2.40 Contracts Affecting Capital. There are no transactions, arrangements or other relationships between and/or among the Company, any of its affiliates (as such term is defined in Rule 405 of the Securities Act Regulations) and any unconsolidated entity, including, but not limited to, any structured finance, special purpose or limited purpose entity that could reasonably be expected to materially affect the Company's or its Subsidiaries' liquidity or the availability of or requirements for their capital resources required to be described or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus which have not been described or incorporated by reference as required.

2.41 Loans to Directors or Officers. There are no outstanding loans, advances (except normal advances for business expenses in the ordinary course of business) or guarantees or indebtedness by the Company or its Subsidiaries to or for the benefit of any of the officers or directors of the Company, its Subsidiaries, or any of their respective family members, except as disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

2.42 Ineligible Issuer. At the time of filing the Registration Statement and any post-effective amendment thereto, at the Effective Date and at the time of any amendment thereto, at the earliest time thereafter that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Securities Act Regulations) of the Shares and at the Effective Date, the Company was not and is not an "ineligible issuer," as defined in Rule 405, without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an ineligible issuer.

2.43 [Omitted]

2.44 Industry Data. The statistical and market-related data included in each of the Registration Statement, the Pricing Disclosure Package and the Prospectus are based on or derived from sources that the Company reasonably and in good faith believes are reliable and accurate or represent the Company's good faith estimates that are made on the basis of data derived from such sources.

2.45 Electronic Road Show. The Company has made available a Bona Fide Electronic Road Show in compliance with Rule 433(d)(8)(ii) of the Securities Act Regulations such that no filing of any "road show" (as defined in Rule 433(h) of the Securities Act Regulations) is required in connection with the Offering.

2.46 Margin Securities. The Company owns no “margin securities” as that term is defined in Regulation U of the Board of Governors of the Federal Reserve System (the “**Federal Reserve Board**”), and none of the proceeds of Offering will be used, directly or indirectly, for the purpose of purchasing or carrying any margin security, for the purpose of reducing or retiring any indebtedness which was originally incurred to purchase or carry any margin security or for any other purpose which might cause any of the Ordinary Shares to be considered a “purpose credit” within the meanings of Regulation T, U or X of the Federal Reserve Board.

2.47 Dividends and Distributions. Except as disclosed in the Pricing Disclosure Package, Registration Statement and the Prospectus, no Subsidiary of the Company is currently prohibited or restricted, directly or indirectly, from paying any dividends to the Company, from making any other distribution on such Subsidiary’s capital stock (in each case, to the extent that any such prohibition or restriction on dividends and/or distributions would have a material effect to the Company), from repaying to the Company any loans or advances to such Subsidiary from the Company or from transferring any of such Subsidiary’s property or assets to the Company or any other Subsidiary of the Company.

2.48 Forward-Looking Statements. No forward-looking statement (within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act) contained in the Registration Statement, the Pricing Disclosure Package or the Prospectus has been made or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

2.49 Integration. Neither the Company nor any of its affiliates, nor any person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause the Offering to be integrated with prior offerings by the Company for purposes of the Securities Act that would require the registration of any such securities under the Securities Act.

2.50 Confidentiality and Non-Competitions. The Company shall have furnished to the Representative a certificate, dated the Closing Date, and any Option Closing Date (if such date is other than the Closing Date), of its Chief Executive Officer or President, and its Chief Financial Officer stating on behalf of the Company and not in an individual capacity that (i) such officers have carefully examined the Registration Statement, the Pricing Disclosure Package, any Issuer Free Writing Prospectus and the Prospectus and, in their opinion, the Registration Statement and each amendment thereto after the Effective Date, as of the Applicable Time and as of the Closing Date (or any Option Closing Date if such date is other than the Closing Date) did not include any untrue statement of a material fact and did not omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and the Pricing Disclosure Package, as of the Applicable Time and as of the Closing Date (or any Option Closing Date if such date is other than the Closing Date), any Issuer Free Writing Prospectus as of its date and as of the Closing Date (or any Option Closing Date if such date is other than the Closing Date), the Prospectus and each amendment or supplement thereto, as of the respective date thereof and as of the Closing Date, did not include any untrue statement of a material fact and did not omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances in which they were made, not misleading, (ii) since the effective date of the Registration Statement, no event has occurred which should have been set forth in a supplement or amendment to the Registration Statement, the Pricing Disclosure Package or the Prospectus, (iii) to the best of their knowledge after reasonable investigation, as of the Closing Date (or any Option Closing Date if such date is other than the Closing Date), the representations and warranties of the Company in this Agreement are true and correct in all material respects (except for those representations and warranties qualified as to materiality, which shall be true and correct in all respects and except for those representations and warranties which refer to facts existing at a specific date, which shall be true and correct as of such date) and the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date (or any Option Closing Date if such date is other than the Closing Date), and (iv) there has not been, subsequent to the date of the most recent audited financial statements included in the Pricing Disclosure Package, a Material Adverse Change.

4.4.2. Chief Financial Officer's Certificate. At the Closing Date and the Option Closing Date, if any, the Representative shall have received a certificate of the Company signed by the Chief Financial Officer of the Company, dated the Closing Date or the Option Date, as the case may be, respectively, certifying on behalf of the Company and not in an individual capacity: (i) that the Charter is true and complete, has not been modified and is in full force and effect; (ii) that the resolutions of the Company's Board of Directors relating to the Offering are in full force and effect and have not been modified; and (iii) as to the accuracy and completeness of all correspondence between the Company or its counsel and the Commission; and (iv) as to the incumbency of the officers of the Company. The documents referred to in such certificate shall be attached to such certificate.

4.5 No Material Changes. Prior to and on the Closing Date and each Option Closing Date, if any: (i) there shall have been no Material Adverse Change in the condition or prospects or the business activities, financial or otherwise, of the Company from the latest dates as of which such condition is set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus; (ii) no action, suit or proceeding, at law or in equity, shall have been pending or threatened against the Company or any Insider before or by any court or federal or state commission, board or other administrative agency wherein an unfavorable decision, ruling or finding may reasonably be expected to cause a Material Adverse Change, except as set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus; (iii) no stop order shall have been issued under the Securities Act and no proceedings therefor shall have been initiated or threatened by the Commission; and (iv) the Registration Statement, the Pricing Disclosure Package and the Prospectus and any amendments or supplements thereto shall contain all material statements which are required to be stated therein in accordance with the Securities Act and the Securities Act Regulations and shall conform in all material respects to the requirements of the Securities Act and the Securities Act Regulations, and neither the Registration Statement, the Pricing Disclosure Package nor the Prospectus nor any amendment or supplement thereto shall contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

4.6 No Material Misstatement or Omission. The Underwriters shall not have discovered and disclosed to the Company on or prior to the Closing Date that the Registration Statement or any amendment or supplement thereto contains an untrue statement of a fact which, in the reasonable opinion of Representative Counsel, is material or omits to state any fact which, in the reasonable opinion of such counsel, is material and is required to be stated therein or is necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or that the Registration Statement, the Pricing Disclosure Package, any Issuer Free Writing Prospectus or the Prospectus or any amendment or supplement thereto contains an untrue statement of fact which, in the reasonable opinion of Representative Counsel, is material or omits to state any fact which, in the reasonable opinion of Representative Counsel, is material and is necessary in order to make the statements, in the light of the circumstances under which they were made, not misleading.

4.7 Corporate Proceedings. All corporate proceedings and other legal matters incident to the authorization, form and validity of each of this Agreement, the Shares, the Registration Statement, the Pricing Disclosure Package, each Issuer Free Writing Prospectus, if any, and the Prospectus and all other legal matters relating to this Agreement and the transactions contemplated hereby and thereby shall be reasonably satisfactory in all material respects to Representative Counsel, and the Company shall have furnished to such counsel all documents and information that they may reasonably request to enable them to pass upon such matters.

4.8 Delivery of Agreements.

4.8.1. Lock-Up Agreements. On or before the date of this Agreement, the Company shall have delivered to the Representative executed copies of the Lock-Up Agreements from each of the persons listed in Schedule 3 hereto.

4.9 Additional Documents. At the Closing Date, Representative and at each Option Closing Date (if any), Representative's Counsel shall have been furnished with such documents and opinions as they may reasonably require for the purpose of enabling Representative's Counsel to deliver an opinion to the Underwriters, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Shares as herein contemplated shall be reasonably satisfactory in form and substance to the Representative and Representative's Counsel.

5. Indemnification.

5.1 Indemnification of the Underwriters.

5.1.1. General. The Company shall indemnify and hold harmless each Underwriter, its affiliates and each of its and their respective directors, officers, members, employees, representatives, partners, shareholders, affiliates, counsel and agents and each person, if any, who controls any such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively the "**Underwriter Indemnified Parties,**" and each an "**Underwriter Indemnified Party**"), against any and all loss, liability (or actions, including shareholder actions, in respect thereof), claim, damage and expense whatsoever (including but not limited to any and all legal or other expenses reasonably incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, whether arising out of any action between any of the Underwriter Indemnified Parties and the Company or between any of the Underwriter Indemnified Parties and any third party, or otherwise) to which they or any of them may become subject under the Securities Act, the Exchange Act or any other statute or at common law or otherwise or under the laws of foreign countries, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in (i) the Registration Statement, the Pricing Disclosure Package, the Preliminary Prospectus, the Prospectus or any Issuer Free Writing Prospectus (as from time to time each may be amended and supplemented); (ii) any materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the Offering, including any "road show" or investor presentations made to investors by the Company (whether in person or electronically); or (iii) any application or other document or written communication (in this Section 5, collectively called "**application**") executed by the Company or based upon written information furnished by the Company in any jurisdiction in order to qualify the Shares under the securities laws thereof or filed with the Commission, any state securities commission or agency, the Exchange or any other national securities exchange; or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, unless such statement or omission was made in reliance upon, and in conformity with, the Underwriters' Information. With respect to any untrue statement or omission or alleged untrue statement or omission made in the Pricing Disclosure Package, the indemnity agreement contained in this Section 5.1.1 shall not inure to the benefit of any Underwriter Indemnified Party to the extent that any loss, liability, claim, damage or expense of such Underwriter Indemnified Party results from the fact that a copy of the Prospectus was not given or sent to the person asserting any such loss, liability, claim or damage at or prior to the written confirmation of sale of the Shares to such person as required by the Securities Act and the Securities Act Regulations, and if the untrue statement or omission has been corrected in the Prospectus, unless such failure to deliver the Prospectus was a result of non-compliance by the Company with its obligations under Section 3.3 hereof. The Company will not be liable to any Underwriter Indemnified Party under the foregoing indemnification and reimbursement provisions: (i) for any settlement by an Underwriter Indemnified Party effected without the Company's prior written consent (not to be unreasonably withheld); or (ii) to the extent that any loss, claim, damage or liability is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the Underwriter Indemnified Party's bad faith, willful misconduct, or gross negligence. The Company also agrees that no Underwriter Indemnified Party shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Company or its security holders or creditors related to or arising out of the engagement of the Underwriters pursuant to, or the performance by the Underwriters of the services contemplated by, this Agreement except to the extent that any loss, claim, damage or liability is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Underwriter Indemnified Party's bad faith, willful misconduct, or gross negligence.

5.1.2. Procedure. If any action is brought against an Underwriter Indemnified Party in respect of which indemnity may be sought against the Company pursuant to Section 5.1.1, such Underwriter Indemnified Party shall promptly notify the Company in writing of the institution of such action and the Company shall be entitled to participate therein and, to the extent that it wishes, jointly with any other similarly notified indemnifying party, to assume the defense of such action, including the employment and fees of counsel (subject to the reasonable approval of such Underwriter Indemnified Party) and payment of actual expenses. Any failure or delay by an Underwriter Indemnified Party to give the notice referred to herein shall not affect such Underwriter Indemnified Party's right to be indemnified hereunder, except to the extent that such failure or delay causes actual material harm to the Company, or materially prejudices its ability to defend such action, suit or proceeding on behalf of such Indemnified Party. If any such action is brought against any Underwriter Indemnified Party and such Underwriter Indemnified Party notifies the Company of the commencement thereof, the Company may elect to assume the defense thereof, with counsel reasonably satisfactory to the Underwriter Indemnified Party. After notice from the Company to the Underwriter Indemnified Party of its election to assume the defense of such action, the Company shall not be liable to the Underwriter Indemnified Party under Section 5.1.1 for any legal or other expenses subsequently incurred by the Underwriter Indemnified Party in connection with the defense of such action other than reasonable costs of investigation; *provided, however*, that such Underwriter Indemnified Party shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such Underwriter Indemnified Party unless (i) the employment of such counsel at the expense of the Company shall have been authorized in writing by the Company in connection with the defense of such action, or (ii) the Company shall not have employed counsel reasonably satisfactory to the Underwriter Indemnified Party to have charge of the defense of such action within a reasonable time after receiving notice of the action, suit, or proceeding, or (iii) such Underwriter Indemnified Party shall have reasonably concluded (based upon advice of counsel to such indemnified party) that there may be legal defenses available to it or them which are different from or additional to those available to the Company, or that there exists a conflict or potential conflict of interest (based upon advice of counsel to such indemnified party) between such Underwriter Indemnified Party and the Company that makes it impossible or inadvisable for counsel to the Company to conduct the defense of the Underwriter Indemnified Party (in which case the Company shall not have the right to direct the defense of such action on behalf of the Underwriter Indemnified Party), in any of which events the reasonable fees and expenses of not more than one additional firm of attorneys selected by the Underwriter Indemnified Parties who are party to such action (in addition to local counsel) shall be borne by the Company. Notwithstanding anything to the contrary contained herein, if any Underwriter Indemnified Party shall assume the defense of such action as provided above, the Company shall have the right to approve the terms of any settlement of such action, which approval shall not be unreasonably withheld. The Company shall not be liable for settlement of any pending or threatened action or any claim whatsoever that is effected without its written consent; *provided, however*, that if the Company does not consent, and the Underwriter Indemnified Party does not settle as a result of such withholding of consent, then the Company agrees unconditionally to assume any liabilities that are incurred as related to such rejection of settlement or withholding of consent.

5.2 Indemnification of the Company. Each Underwriter, severally and not jointly, shall indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and persons who control the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense described in the foregoing indemnity from the Company to the several Underwriters, as incurred, but only with respect to such losses, liabilities, claims, damages and expenses (or actions in respect thereof) which arise out of or are based upon untrue statements or omissions made in the Registration Statement, any Preliminary Prospectus, the Pricing Disclosure Package or Prospectus or any amendment or supplement thereto or in any application, in reliance upon, and in strict conformity with, the Underwriters' Information. In case any action shall be brought against the Company or any other person so indemnified based on any Preliminary Prospectus, the Registration Statement, the Pricing Disclosure Package or Prospectus or any amendment or supplement thereto or any application, and in respect of which indemnity may be sought against any Underwriter, such Underwriter shall have the rights and duties given to the Company, and the Company and each other person so indemnified shall have the rights and duties given to the Underwriter Indemnified Parties by the provisions of Section 5.1.2. The Company agrees promptly to notify the Representative of the commencement of any litigation or proceedings against the Company or any of its officers, directors or any person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, in connection with the issuance and sale of the Shares or in connection with the Registration Statement, the Pricing Disclosure Package, the Prospectus, or any Issuer Free Writing Prospectus or any Written Testing-the-Waters Communication.

5.3 Contribution.

5.3.1. Contribution Rights. If the indemnification provided for in this Section 5 shall for any reason be unavailable to or insufficient to hold harmless an indemnified party under Section 5.1 or 5.2 in respect of any loss, claim, damage or liability, or any action in respect thereof, referred to therein, then each indemnifying party shall, in lieu of indemnifying such indemnified party, contribute to the amount paid or payable by such indemnified party as a result of such loss, claim, damage or liability, or action in respect thereof, (i) in such proportion as shall be appropriate to reflect the relative benefits received by the Company, on the one hand, and each of the Underwriters, on the other hand, from the Offering, or (ii) if, but only if, the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other, with respect to the statements or omissions that resulted in such loss, claim, damage or liability, or action in respect thereof, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other, with respect to such Offering shall be deemed to be in the same proportion as the total net proceeds actually received by the Company from the Offering of the Shares purchased under this Agreement (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions actually received by the Underwriters in connection with the Offering, in each case as set forth in the table on the cover page of the Prospectus. The relative fault of the Company, on the one hand, and the Underwriters, on the other, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Underwriters, on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement, omission, act or failure to act; *provided* that the parties hereto agree that the written information furnished to the Company through the Representative by or on behalf of any Underwriter for use in any Preliminary Prospectus, any Registration Statement or the Prospectus, or in any amendment or supplement thereto, consists solely of the Underwriters' Information. The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this Section 5.3.1 were to be determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss, claim, damage, expense, liability, action, investigation or proceeding referred to above in this Section 5.3.1 shall be deemed to include, for purposes of this Section 5.3.1, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating, preparing to defend or defending against or appearing as a third party witness in respect of, or otherwise incurred in connection with, any such loss, claim, damage, expense, liability, action, investigation or proceeding. Notwithstanding the provisions of this Section 5.3.1, no Underwriters shall be required to contribute any amount in excess of the total discount and commission received by such Underwriter in connection with the Offering (excluding reimbursable expenses) less the amount of any damages which such Underwriter has otherwise paid or becomes liable to pay by reason of any untrue or alleged untrue statement, omission or alleged omission, act or alleged act or failure to act or alleged failure to act. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

5.3.2. Contribution Procedure. Within fifteen (15) days after receipt by any party to this Agreement (or its representative) of notice of the commencement of any action, suit or proceeding, such party will, if a claim for contribution in respect thereof is to be made against another party (“contributing party”), notify the contributing party of the commencement thereof, but the failure to so notify the contributing party will not relieve it from any liability which it may have to any other party other than for contribution hereunder. In case any such action, suit or proceeding is brought against any party, and such party notifies a contributing party or its representative of the commencement thereof within the aforesaid 15 days, the contributing party will be entitled to participate therein with the notifying party and any other contributing party similarly notified. Any such contributing party shall not be liable to any party seeking contribution on account of any settlement of any claim, action or proceeding affected by such party seeking contribution without the written consent of such contributing party. The contribution provisions contained in this Section 5.3.2 are intended to supersede, to the extent permitted by law, any right to contribution under the Securities Act, the Exchange Act or otherwise available. The Underwriters’ obligations to contribute as provided in this Section 5.3 are several and in proportion to their respective underwriting obligation, and not joint.

5.4. Survival & Third-Party Beneficiaries. The advancement, reimbursement, indemnity and contribution obligations set forth in this Section 5 shall remain in full force and effect regardless of any termination of, or the completion of any Underwriter Indemnified Party’s services under or in connection with, this Agreement. Each Underwriter Indemnified Party’s is an intended third-party beneficiary of this Section 5, and has the right to enforce the provisions of Section 5 as if he/she/it was a party to this Agreement.

6. Default by an Underwriter.

6.1. Default Not Exceeding 10% of Firm Shares or Option Shares. If any Underwriter or Underwriters shall default in its or their obligations to purchase the Firm Shares or the Option Shares, if the Over-allotment Option is exercised hereunder, and if the number of the Firm Shares or Option Shares with respect to which such default relates does not exceed in the aggregate 10% of the number of Firm Shares or Option Shares that all Underwriters have agreed to purchase hereunder, then such Firm Shares or Option Shares to which the default relates shall be purchased by the non-defaulting Underwriters in proportion to their respective commitments hereunder.

6.2 Default Exceeding 10% of Firm Shares or Option Shares. In the event that the default addressed in Section 6.1 relates to more than 10% of the Firm Shares or Option Shares, the Representative may in its discretion arrange for itself or for another party or parties to purchase such Firm Shares or Option Shares to which such default relates on the terms contained herein. If, within one (1) Business Day after such default relating to more than 10% of the Firm Shares or Option Shares, the Representative does not arrange for the purchase of such Firm Shares or Option Shares, then the Company shall be entitled to a further period of one (1) Business Day within which to procure another party or parties reasonably satisfactory to the Representative to purchase said Firm Shares or Option Shares on such terms. In the event that neither the Representative nor the Company arrange for the purchase of the Firm Shares or Option Shares to which a default relates as provided in this Section 6, this Agreement will automatically be terminated by the Representative or the Company without liability on the part of the Company (except as provided in Sections 3.10 and 5 hereof) or the several Underwriters (except as provided in Section 5 hereof); provided, however, that if such default occurs with respect to the Option Shares, this Agreement will not terminate as to the Firm Shares; and *provided, further*, that nothing herein shall relieve a defaulting Underwriter of its liability, if any, to the other Underwriters and to the Company for damages occasioned by its default hereunder. For the avoidance of doubt, nothing contained in this Section 6.2 shall excuse a default by the Representative (in its capacity as an Underwriter) in its obligations to purchase the Firm Shares.

6.3 Postponement of Closing Date. In the event that the Firm Shares or Option Shares to which the default relates are to be purchased by the non-defaulting Underwriters, or are to be purchased by another party or parties as aforesaid, the Representative or the Company shall have the right to postpone the Closing Date or Option Closing Date for a reasonable period, but not in any event exceeding five (5) Business Days, in order to effect whatever changes may thereby be made necessary in the Registration Statement, the Pricing Disclosure Package or the Prospectus or in any other documents and arrangements, and the Company agrees to file promptly any amendment to the Registration Statement, the Pricing Disclosure Package or the Prospectus that in the opinion of Representative Counsel may thereby be made necessary. The term “**Underwriter**” as used in this Agreement shall include any party substituted under this Section 6 with like effect as if it had originally been a party to this Agreement with respect to such Firm Shares or Option Shares.

7. Additional Covenants.

7.1 Board Composition and Board Designations. The Company shall ensure that: (i) the qualifications of the persons serving as members of the Board of Directors and the overall composition of the Board of Directors comply with the Sarbanes-Oxley Act, the Exchange Act and the listing rules of the Exchange or any other national securities exchange, as the case may be, in the event the Company seeks to have its Shares listed on another exchange or quoted on an automated quotation system, and (ii) if applicable, at least one member of the Audit Committee of the Board of Directors qualifies as an “audit committee financial expert,” as such term is defined under Regulation S-K and the listing rules of the Exchange.

7.2 Prohibition on Press Releases and Public Announcements. Except as required by law or rule of Nasdaq, the Company shall not issue press releases or engage in any other publicity, without the Representative’s prior written consent, for a period ending at 5:00 p.m., Eastern time, on the first (1st) Business Day following the fortieth (40th) day after the Closing Date, other than normal and customary releases issued in the ordinary course of the Company’s business.

7.3 Right of First Refusal. Provided that the Firm Shares are sold in accordance with the terms of this Agreement, the Representative shall have an irrevocable right of first refusal (the “**Right of First Refusal**”), for a period of twelve (12) months after the date the Effective Date of the Registration Statement, to act as lead managing underwriter, placement agent, exclusive financial advisor or in any other similar capacity, at the Representative’s sole discretion, for each and every future public offering for capital raising purposes registered with Commission, or private financing including all equity linked financings (each, a “**Subject Transaction**”), during such twelve (12) month period, of the Company, or any successor to or subsidiary of the Company, on terms and conditions customary for such Subject Transactions. For the avoidance of any doubt, neither the Company nor any subsidiary shall retain, engage or solicit any additional investment banker, book-runner, financial advisor, underwriter and/or placement agent in a Subject Transaction during the twelve (12) month period referred to above without the express written consent of the Representative. The Company shall notify the Representative of its or its subsidiary’s intention to pursue a Subject Transaction, including the material terms thereof, by providing written notice thereof by electronic mail or overnight courier service addressed to the Representative. If the Representative declines the terms of such Subject Transaction or fails to notify the Company of its intent to exercise its Right of First Refusal with respect to any Subject Transaction within ten (10) Business Days after the mailing of such written notice, then the Representative shall have no further claim or right with respect to the Subject Transaction. The Representative may elect, in its sole and absolute discretion, not to exercise its Right of First Refusal with respect to any Subject Transaction; *provided* that any such election, rejection, waiver or failure to respond or act, by the Representative shall not adversely affect the Representative’s Right of First Refusal with respect to any other Subject Transaction during the twelve (12) month period agreed to above. The terms and conditions of any such engagements shall be set forth in separate agreements and may be subject to, among other things, satisfactory completion of due diligence by the Representative, market conditions, the absence of a material adverse change to the Company’s business, financial condition and prospects, approval of the Representative’s internal committee and any other conditions that the Representative may deem appropriate for transactions of such nature.

8. Effective Date of this Agreement and Termination Thereof.

8.1 Effective Date. This Agreement shall become effective when both the Company and the Representative have executed the same and delivered counterparts of such signatures to the other party.

8.2 Termination. The Representative shall have the right to terminate this Agreement at any time prior to any Closing Date, (i) if any domestic or international event or act or occurrence has materially disrupted, or in the Representative's reasonable opinion will in the immediate future materially disrupt, general securities markets in the United States; or (ii) if trading on the New York Stock Exchange or the Nasdaq Stock Market LLC shall have been suspended or materially limited, or minimum or maximum prices for trading shall have been fixed, or maximum ranges for prices for securities shall have been required by FINRA or by order of the Commission or any other government authority having jurisdiction; or (iii) if the United States shall have become involved in a new war or an increase in major hostilities; or (iv) if a banking moratorium has been declared by a New York State or federal authority; or (v) if a moratorium on foreign exchange trading has been declared which materially adversely impacts the United States securities markets; or (vi) if the Company shall have sustained a material loss by fire, flood, accident, hurricane, earthquake, theft, sabotage or other calamity or malicious act which, whether or not such loss shall have been insured, will, in the Representative's reasonable opinion, make it inadvisable to proceed with the delivery of the Firm Shares or Option Shares; or (vii) if the Company is in material breach of any of its representations, warranties or covenants hereunder; or (viii) if the Representative shall have become aware after the date hereof of such a Material Adverse Change, or such adverse material change in general market conditions as in the Representative's reasonable judgment would make it impracticable to proceed with the offering, sale and/or delivery of the Shares or to enforce contracts made by the Underwriters for the sale of the Shares.

8.3 Expenses. Notwithstanding anything to the contrary in this Agreement, except in the case of a default by the Underwriters, pursuant to Section 6.2 above, in the event that this Agreement shall not be carried out for any reason whatsoever, within the time specified herein or any extensions thereof pursuant to the terms herein, the Company shall be obligated to pay to the Underwriters their actual and accountable out-of-pocket expenses related to the transactions contemplated herein then due and payable (including the reasonable fees and disbursements of Representative Counsel of up to \$75,000) plus up to \$50,000, and upon demand the Company shall pay the full amount thereof to the Representative on behalf of the Underwriters; *provided, however*, that such expense cap in no way limits or impairs the indemnification and contribution provisions of this Agreement. Notwithstanding the foregoing, any advance received by the Representative will be reimbursed to the Company to the extent not actually incurred in compliance with FINRA Rule 5110(g)(4) (A).

8.4 Survival of Indemnification. Notwithstanding any contrary provision contained in this Agreement, any election hereunder or any termination of this Agreement, and whether or not this Agreement is otherwise carried out, the provisions of Section 5 shall remain in full force and effect and shall not be in any way affected by, such election or termination or failure to carry out the terms of this Agreement or any part hereof.

8.5 Representations, Warranties, Agreements to Survive. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter or its Affiliates or selling agents, any person controlling any Underwriter, its officers or directors or any person controlling the Company or (ii) delivery of and payment for the Shares.

9. Miscellaneous

9.1 Notices. All communications hereunder, except as herein otherwise specifically provided, shall be in writing and shall be mailed (registered or certified mail, return receipt requested), personally delivered, or sent by electronic mail transmission, return receipt requested and shall be deemed given (i) if mailed, two (2) days after such mailing, (ii), if personally delivered, when so delivered, or (iii) if sent by electronic mail transmission, upon the sending party's receipt of a confirmation email (including read receipt or other automatic delivery confirmation) from the receiving party.

To induce the Representative to continue its efforts in connection with the Public Offering, the undersigned hereby agrees that, without the prior written consent of the Representative, the undersigned will not, during the period commencing on the date hereof and ending one hundred and eighty (180) days after the date the Offering is completed (the “**Prospectus**”) relating to the Public Offering (the “**Lock-Up Period**”), (1) offer, pledge, sell, contract to sell, grant, lend, or otherwise transfer or dispose of, directly or indirectly, any Shares or any securities convertible into or exercisable or exchangeable for Shares, whether now owned or hereafter acquired by the undersigned or with respect to which the undersigned has or hereafter acquires the power of disposition (collectively, the “**Lock-Up Securities**”); (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Lock-Up Securities, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Lock-Up Securities, in cash or otherwise; (3) make any demand for or exercise any right with respect to the registration of any Lock-Up Securities; or (4) publicly disclose the intention to make any offer, sale, pledge or disposition, or to enter into any transaction, swap, hedge or other arrangement relating to any Lock-Up Securities. Notwithstanding the foregoing, and subject to the conditions below, the undersigned may transfer Lock-Up Securities without the prior written consent of the Representative in connection with (a) transactions relating to Lock-Up Securities acquired in open market transactions after the completion of the Public Offering; (b) transfers of Lock-Up Securities as a *bona fide* gift, by will or intestacy or to a family member or trust for the benefit of a family member (for purposes of this lock-up agreement, “family member” means any relationship by blood, marriage or adoption, not more remote than first cousin); (c) transfers of Lock-Up Securities to a charity or educational institution; or (d) if the undersigned, directly or indirectly, controls a corporation, partnership, limited liability company or other business entity, any transfers of Lock-Up Securities to any shareholder, partner or member of, or owner of similar equity interests in, the undersigned, as the case may be; provided that in the case of any transfer pursuant to the foregoing clauses (b), (c) or (d), it shall be a condition to any such transfer that (i) the transferee/donee agrees to be bound by the terms of this lock-up agreement (including, without limitation, the restrictions set forth in the preceding sentence) to the same extent as if the transferee/donee were a party hereto; and (ii) the undersigned notifies the Representative at least two (2) business days prior to the proposed transfer or disposition.

In addition, the foregoing restrictions shall not apply to (i) the exercise of stock options granted pursuant to the Company’s equity incentive plans or to any of the undersigned’s ordinary shares issued upon such exercise, (ii) exercise of warrants; provided that it shall apply to any of the undersigned’s ordinary shares issued upon such exercise, or (iii) pursuant to an existing contract, instruction or plan (a “**Plan**”) that satisfies all of the requirements of Rule 10b5-1(c)(1)(i)(B) under the Exchange Act, (iv) the establishment of any new Plan; provided that no sales of the undersigned’s ordinary shares shall be made pursuant to such new Plan prior to the expiration of the Lock-Up Period, and such a Plan may only be established if no public announcement of the establishment or existence thereof and no filing with the Securities and Exchange Commission or other regulatory authority in respect thereof or transactions thereunder or contemplated thereby, by the undersigned, the Company or any other person, shall be required, and no such announcement or filing is made voluntarily, by the undersigned, the Company or any other person, prior to the expiration of the Lock-Up Period.

The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the undersigned's securities subject to this lock-up agreement except in compliance with this lock-up agreement.

If the undersigned is an officer or director of the Company, (i) the undersigned agrees that the foregoing restrictions shall be equally applicable to any Shares that the undersigned may purchase in the Public Offering; (ii) the Representative agrees that, at least three (3) business days before the effective date of any release or waiver of the foregoing restrictions in connection with a transfer of Lock-Up Securities, the Representative will notify the Company of the impending release or waiver; and (iii) the Company has agreed in the Underwriting Agreement to announce the impending release or waiver by press release through a major news service at least two (2) business days before the effective date of the release or waiver. The provisions of this paragraph will not apply if (a) the release or waiver is effected solely to permit a transfer of Lock-Up Securities not for consideration and (b) the transferee has agreed in writing to be bound by the same terms described in this lock-up agreement to the extent and for the duration that such terms remain in effect at the time of such transfer.

The undersigned understands that the Company and the Representative are relying upon this lock-up agreement in proceeding toward consummation of the Public Offering. The undersigned further understands that this lock-up agreement is irrevocable and shall be binding upon the undersigned's heirs, legal representatives, successors and assigns.

The undersigned understands that, if the Underwriting Agreement does not become effective on or prior to [March 22, 2023], or if the Underwriting Agreement (other than the provisions thereof which survive termination) shall terminate or be terminated prior to payment for and delivery of the Shares to be sold thereunder, then this lock-up agreement shall be void and of no further force or effect, and the undersigned shall be released from all obligations under this lock-up agreement.

- 2.1 Subject to the provisions of the Act and these Articles about the redemption and purchase of the Shares, the Directors have general and unconditional authority to allot (with or without confirming rights of renunciation), grant options over or otherwise deal with any unissued Shares to such persons, at such times and on such terms and conditions as they may decide. No Share may be issued at a discount except in accordance with the provisions of the Act.
- 2.2 Without limitation to the preceding Article, the Directors may so deal with the unissued Shares:
- (a) either at a premium or at par; or
 - (b) with or without preferred, deferred or other special rights or restrictions, whether in regard to dividend, voting, return of capital or otherwise.
- 2.3 Without limitation to the two preceding Articles, the Directors may refuse to accept any application for Shares, and may accept any application in whole or in part, for any reason or for no reason.

- 2.6 Except as required by Law:
- (a) no person shall be recognised by the Company as holding any Share on any trust; and
 - (b) no person other than the Member shall be recognised by the Company as having any right in a Share.

Security interests

- 2.7 Notwithstanding the preceding Article, the Company may (but shall not be obliged to) recognise a security interest of which it has actual notice over shares. The Company shall not be treated as having recognised any such security interest unless it has so agreed in writing with the secured party.

Power to vary class rights

- 2.8 If the share capital is divided into different classes of Shares then, unless the terms on which a class of Shares was issued state otherwise, the rights attaching to a class of Shares may only be varied if one of the following applies:
- (a) the Members holding not less than three-fourths of the issued Shares of that class consent in writing to the variation; or
 - (b) the variation is made with the sanction of a Special Resolution passed at a separate general meeting of the Members holding the issued Shares of that class.
- 2.9 For the purpose of Article 2.9(b), all the provisions of these Articles relating to general meetings apply, mutatis mutandis, to every such separate meeting except that:
- (a) the necessary quorum shall be two persons at least holding, or representing by proxy, not less than one third of the issued Shares of the class; and
 - (b) any Member holding issued Shares of the class, present in person or by proxy or, in the case of a corporate Member, by its duly authorised representative, may demand a poll.

Effect of new Share issue on existing class rights

- 2.10 Unless the terms on which a class of Shares was issued state otherwise, the rights conferred on the Member holding Shares of any class shall not be deemed to be varied by the creation or issue of further Shares ranking *pari passu* with the existing Shares of that class.

No bearer Shares or warrants

- 2.11 The Company shall not issue Shares or warrants to bearers.

Treasury Shares

- 2.12 Shares that the Company purchases, redeems or acquires by way of surrender in accordance with the Act shall be held as Treasury Shares and not treated as cancelled if:
- (a) the Directors so determine prior to the purchase, redemption or surrender of those shares; and
 - (b) the relevant provisions of the Memorandum and Articles and the Act are otherwise complied with.

Rights attaching to Treasury Shares and related matters

- 2.13 No dividend may be declared or paid, and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to Members on a winding up) may be made to the Company in respect of a Treasury Share.
- 2.14 The Company shall be entered in the register of Members as the holder of the Treasury Shares. However:
- (a) the Company shall not be treated as a Member for any purpose and shall not exercise any right in respect of the Treasury Shares, and any purported exercise of such a right shall be void; and

Annual Return

- 2.18 The Directors in each calendar year shall prepare or cause to be prepared an annual return and declaration setting forth the particulars required by the Act and shall deliver a copy thereof to the registrar of companies for the Cayman Islands.

3 Share certificates

Issue of share certificates

- 3.1 A Member shall only be entitled to a share certificate if the Directors resolve that share certificates shall be issued. Share certificates representing Shares, if any, shall be in such form as the Directors may determine. If the Directors resolve that share certificates shall be issued, upon being entered in the register of Members as the holder of a Share, the Directors may issue to any Member:
- (a) without payment, one certificate for all the Shares of each class held by that Member (and, upon transferring a part of the Member's holding of Shares of any class, to a certificate for the balance of that holding); and
 - (b) upon payment of such reasonable sum as the Directors may determine for every certificate after the first, several certificates each for one or more of that Member's Shares.
- 3.2 Every certificate shall specify the number, class and distinguishing numbers (if any) of the Shares to which it relates and whether they are Fully Paid Up or Partly Paid Up. A certificate may be executed under seal or executed in such other manner as the Directors determine.
- 3.3 Every certificate shall bear legends required under the applicable laws, including the U.S. Securities Act.
- 3.4 The Company shall not be bound to issue more than one certificate for Shares held jointly by several persons and delivery of a certificate for a Share to one joint holder shall be a sufficient delivery to all of them.

Renewal of lost or damaged share certificates

- 3.5 If a share certificate is defaced, worn-out, lost or destroyed, it may be renewed on such terms (if any) as to:
- (a) evidence;
 - (b) indemnity;
 - (c) payment of the expenses reasonably incurred by the Company in investigating the evidence; and
 - (d) payment of a reasonable fee, if any for issuing a replacement share certificate,
- as the Directors may determine, and (in the case of defacement or wearing-out) on delivery to the Company of the old certificate.

4 Lien on Shares

Nature and scope of lien

4.1 The Company has a first and paramount lien on all Shares (whether Fully Paid Up or not) registered in the name of a Member (whether solely or jointly with others). The lien is for all monies payable to the Company by the Member or the Member's estate:

- (a) either alone or jointly with any other person, whether or not that other person is a Member; and
- (b) whether or not those monies are presently payable.

4.2 At any time the Board may declare any Share to be wholly or partly exempt from the provisions of this Article.

Company may sell Shares to satisfy lien

4.3 The Company may sell any Shares over which it has a lien if all of the following conditions are met:

- (a) the sum in respect of which the lien exists is presently payable;
- (b) the Company gives notice to the Member holding the Share (or to the person entitled to it in consequence of the death or bankruptcy of that Member) demanding payment and stating that if the notice is not complied with the Shares may be sold; and
- (c) that sum is not paid within fourteen Clear Days after that notice is deemed to be given under these Articles,

and Shares to which this Article 4.3 applies shall be referred to as Lien Default Shares.

4.4 The Lien Default Shares may be sold in such manner as the Board determines.

4.5 To the maximum extent permitted by law, the Directors shall incur no personal liability to the Member concerned in respect of the sale.

Authority to execute instrument of transfer

4.6 To give effect to a sale, the Directors may authorise any person to execute an instrument of transfer of the Lien Default Shares sold to, or in accordance with the directions of, the purchaser.

4.7 The title of the transferee of the Lien Default Shares shall not be affected by any irregularity or invalidity in the proceedings in respect of the sale.

Consequences of sale of Shares to satisfy lien

4.8 On a sale pursuant to the preceding Articles:

- (a) the name of the Member concerned shall be removed from the register of Members as the holder of those Lien Default Shares; and
- (b) that person shall deliver to the Company for cancellation the certificate (if any) for those Lien Default Shares.

- 4.9 Notwithstanding the provisions of Article 4.8, such person shall remain liable to the Company for all monies which, at the date of sale, were presently payable by him to the Company in respect of those Lien Default Shares. That person shall also be liable to pay interest on those monies from the date of sale until payment at the rate at which interest was payable before that sale or, failing that, at the Default Rate. The Board may waive payment wholly or in part or enforce payment without any allowance for the value of the Lien Default Shares at the time of sale or for any consideration received on their disposal.

Application of proceeds of sale

- 4.10 The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable. Any residue shall be paid to the person whose Lien Default Shares have been sold:
- (a) if no certificate for the Lien Default Shares was issued, at the date of the sale; or
 - (b) if a certificate for the Lien Default Shares was issued, upon surrender to the Company of that certificate for cancellation

but, in either case, subject to the Company retaining a like lien for all sums not presently payable as existed on the Lien Default Shares before the sale.

5 Calls on Shares and forfeiture

Power to make calls and effect of calls

- 5.1 Subject to the terms of allotment, the Board may make calls on the Members in respect of any monies unpaid on their Shares including any premium. The call may provide for payment to be by instalments. Subject to receiving at least 14 Clear Days' notice specifying when and where payment is to be made, each Member shall pay to the Company the amount called on his Shares as required by the notice.
- 5.2 Before receipt by the Company of any sum due under a call, that call may be revoked in whole or in part and payment of a call may be postponed in whole or in part. Where a call is to be paid in instalments, the Company may revoke the call in respect of all or any remaining instalments in whole or in part and may postpone payment of all or any of the remaining instalments in whole or in part.
- 5.3 A Member on whom a call is made shall remain liable for that call notwithstanding the subsequent transfer of the Shares in respect of which the call was made. He shall not be liable for calls made after he is no longer registered as Member in respect of those Shares.

Time when call made

- 5.4 A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.

Liability of joint holders

5.5 Members registered as the joint holders of a Share shall be jointly and severally liable to pay all calls in respect of the Share.

Interest on unpaid calls

5.6 If a call remains unpaid after it has become due and payable the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due and payable until it is paid:

- (a) at the rate fixed by the terms of allotment of the Share or in the notice of the call; or
- (b) if no rate is fixed, at the Default Rate.

The Directors may waive payment of the interest wholly or in part.

Deemed calls

5.7 Any amount payable in respect of a Share, whether on allotment or on a fixed date or otherwise, shall be deemed to be payable as a call. If the amount is not paid when due the provisions of these Articles shall apply as if the amount had become due and payable by virtue of a call.

Power to accept early payment

5.8 The Company may accept from a Member the whole or a part of the amount remaining unpaid on Shares held by him although no part of that amount has been called up.

Power to make different arrangements at time of issue of Shares

5.9 Subject to the terms of allotment, the Directors may make arrangements on the issue of Shares to distinguish between Members in the amounts and times of payment of calls on their Shares.

Notice of default

5.10 If a call remains unpaid after it has become due and payable the Directors may give to the person from whom it is due not less than 14 Clear Days' notice requiring payment of:

- (a) the amount unpaid;
- (b) any interest which may have accrued;
- (c) any expenses which have been incurred by the Company due to that person's default.

5.11 The notice shall state the following:

- (a) the place where payment is to be made; and
- (b) a warning that if the notice is not complied with the Shares in respect of which the call is made will be liable to be forfeited.

Forfeiture or surrender of Shares

5.12 If the notice given pursuant to Article 5.10 is not complied with, the Directors may, before the payment required by the notice has been received, resolve that any Share the subject of that notice be forfeited. The forfeiture shall include all dividends or other monies payable in respect of the forfeited Share and not paid before the forfeiture. Despite the foregoing, the Board may determine that any Share the subject of that notice be accepted by the Company as surrendered by the Member holding that Share in lieu of forfeiture.

Disposal of forfeited or surrendered Share and power to cancel forfeiture or surrender

5.13 A forfeited or surrendered Share may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the Board determine either to the former Member who held that Share or to any other person. The forfeiture or surrender may be cancelled on such terms as the Directors think fit at any time before a sale, re-allotment or other disposition. Where, for the purposes of its disposal, a forfeited or surrendered Share is to be transferred to any person, the Directors may authorise some person to execute an instrument of transfer of the Share to the transferee.

Effect of forfeiture or surrender on former Member

5.14 On forfeiture or surrender:

- (a) the name of the Member concerned shall be removed from the register of Members as the holder of those Shares and that person shall cease to be a Member in respect of those Shares; and
- (b) that person shall surrender to the Company for cancellation the certificate (if any) for the forfeited or surrendered Shares.

5.15 Despite the forfeiture or surrender of his Shares, until the Company receives payment in full of the unpaid amount as described in this Article 5.15, that person shall remain liable to the Company for all monies which at the date of forfeiture or surrender were presently payable by him to the Company in respect of those Shares together with:

- (a) all expenses; and
- (b) interest from the date of forfeiture or surrender until payment:
 - (i) at the rate of which interest was payable on those monies before forfeiture; or
 - (ii) if no interest was so payable, at the Default Rate.

The Directors, however, may waive payment wholly or in part.

Evidence of forfeiture or surrender

5.16 A declaration, whether statutory or under oath, made by a Director or the Secretary shall be conclusive evidence of the following matters stated in it as against all persons claiming to be entitled to forfeited Shares:

- (a) that the person making the declaration is a Director or Secretary of the Company, and
- (b) that the particular Shares have been forfeited or surrendered on a particular date.

Subject to the execution of an instrument of transfer, if necessary, the declaration shall constitute good title to the Shares.

Sale of forfeited or surrendered Shares

5.17 Any person to whom the forfeited or surrendered Shares are disposed of shall not be bound to see to the application of the consideration, if any, of those Shares nor shall his title to the Shares be affected by any irregularity in, or invalidity of the proceedings in respect of, the forfeiture, surrender or disposal of those Shares.

6 Transfer of Shares

Right to transfer

6.1 The instrument of transfer of any Share shall be in writing and in any usual or common form or in a form prescribed by the Designated Stock Exchanges or such other form as the Directors may, in their absolute discretion, approve and be executed by or on behalf of the transferor and if in respect of a nil or Partly Paid Up Share, or if so required by the Directors, shall also be executed by or on behalf of the transferee and shall be accompanied by the certificate (if any) of the Shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The transferor shall be deemed to remain a Member until the name of the transferee is entered in the register of Members in respect of the relevant Shares.

6.2 The Directors may in their absolute discretion decline to register any transfer of Shares which is not Fully Paid Up or on which the Company has a lien.

6.3 The Directors may also, but are not required to, decline to register any transfer of any Share unless:

- (a) the instrument of transfer is lodged with the Company, accompanied by the certificate (if any) for the Shares to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
- (b) the instrument of transfer is in respect of only one class of Shares;
- (c) the instrument of transfer is properly stamped, if required;

- (d) in the case of a transfer to joint holders, the number of joint holders to whom the Share is to be transferred does not exceed four;
- (e) the Shares transferred are Fully Paid Up and free of any lien in favour of the Company; and
- (f) any applicable fee of such maximum sum as the Designated Stock Exchanges may determine to be payable, or such lesser sum as the Board may from time to time require, related to the transfer is paid to the Company.

Suspension of transfers

- 6.4 The registration of transfers may, on 14 days' notice being given by advertisement in such one or more newspapers or by electronic means, be suspended and the register of Members closed at such times and for such periods as the Directors may, in their absolute discretion, from time to time determine, provided always that such registration of transfer shall not be suspended nor the register of Members closed for more than 30 days in any year.

Company may retain instrument of transfer

- 6.5 All instruments of transfer that are registered shall be retained by the Company.

Notice of refusal to register

- 6.6 If the Directors refuse to register a transfer of any Shares, they shall within three months after the date on which the instrument of transfer was lodged with the Company send to each of the transferor and the transferee notice of the refusal.

7 Transmission of Shares

Persons entitled on death of a Member

- 7.1 If a Member dies, the only persons recognised by the Company as having any title to the deceased Members' interest are the following:
- (a) where the deceased Member was a joint holder, the survivor or survivors; and
 - (b) where the deceased Member was a sole holder, that Member's personal representative or representatives.
- 7.2 Nothing in these Articles shall release the deceased Member's estate from any liability in respect of any Share, whether the deceased was a sole holder or a joint holder.

Registration of transfer of a Share following death or bankruptcy

- 7.3 A person becoming entitled to a Share in consequence of the death or bankruptcy of a Member may elect to do either of the following:
- (a) to become the holder of the Share; or
 - (b) to transfer the Share to another person.
- 7.4 That person must produce such evidence of his entitlement as the Directors may properly require.
- 7.5 If the person elects to become the holder of the Share, he must give notice to the Company to that effect. For the purposes of these Articles, that notice shall be treated as though it were an executed instrument of transfer.
- 7.6 If the person elects to transfer the Share to another person then:
- (a) if the Share is Fully Paid Up, the transferor must execute an instrument of transfer; and
 - (b) if the Share is nil or Partly Paid Up, the transferor and the transferee must execute an instrument of transfer.
- 7.7 All the Articles relating to the transfer of Shares shall apply to the notice or, as appropriate, the instrument of transfer.

Indemnity

- 7.8 A person registered as a Member by reason of the death or bankruptcy of another Member shall indemnify the Company and the Directors against any loss or damage suffered by the Company or the Directors as a result of that registration.

Rights of person entitled to a Share following death or bankruptcy

- 7.9 A person becoming entitled to a Share by reason of the death or bankruptcy of a Member shall have the rights to which he would be entitled if he were registered as the holder of the Share. But, until he is registered as Member in respect of the Share, he shall not be entitled to attend or vote at any meeting of the Company or at any separate meeting of the holders of that class of Shares.

8 Alteration of capital

Increasing, consolidating, converting, dividing and cancelling share capital

- 8.1 To the fullest extent permitted by the Act, the Company may by Ordinary Resolution do any of the following and amend its Memorandum for that purpose:
- (a) increase its share capital by new Shares of the amount fixed by that Ordinary Resolution and with the attached rights, priorities and privileges set out in that Ordinary Resolution or, if the Company has Shares without par value, increase its share capital by such number of Shares without nominal or par value, or increase the aggregate consideration for which its Shares may be issued, as it thinks expedient;

- (b) consolidate and divide all or any of its share capital into Shares of larger amount than its existing Shares;
- (c) convert all or any of its Paid Up Shares into stock, and reconvert that stock into Paid Up Shares of any denomination;
- (d) sub-divide its Shares or any of them into Shares of an amount smaller than that fixed by the Memorandum, so, however, that in the sub-division, the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in case of the Share from which the reduced Share is derived; and
- (e) cancel Shares which, at the date of the passing of that Ordinary Resolution, have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled or, in the case of Shares without nominal par value, diminish the number of Shares into which its capital is divided.

8.2 Whenever, as a result of a consolidation of Shares, any Members would become entitled to fractions of a Share the Directors may on behalf of those Members deal with the fractions as it thinks fit, including (without limitation):

- (a) sell the Shares representing the fractions for the best price reasonably obtainable to any person (including, subject to the provisions of the Act, the Company); and
- (b) distribute the net proceeds in due proportion among those Members.

8.3 For the purposes of Article 8.2, the Directors may authorise some person to execute an instrument of transfer of the Shares to, in accordance with the directions of, the purchaser. The transferee shall not be bound to see to the application of the purchase money nor shall the transferee's title to the Shares be affected by any irregularity in, or invalidity of, the proceedings in respect of the sale.

- (b) with the consent by Special Resolution of the Members holding Shares of a particular class, vary the rights attaching to that class of Shares so as to provide that those Shares are to be redeemed or are liable to be redeemed at the option of the Company on the terms and in the manner which the Directors determine at the time of such variation; and
- (c) purchase all or any of its own Shares of any class including any redeemable Shares by agreement with the Member holding those Shares on the terms and in the manner which the Directors determine at the time of such purchase.

Effect of redemption or purchase of a Share

9.3 Upon the date of redemption or purchase of a Share:

A general meeting convened by requisitioners shall be called in the same manner, as nearly as possible, as that in which general meetings are to be called by the Board.

- 10.9 Without limitation to the foregoing, if there are insufficient Directors to constitute a quorum and the remaining Directors are unable to agree on the appointment of additional Directors, any one or more Members who together hold at least five per cent of the rights to vote at a general meeting may call a general meeting for the purpose of considering the business specified in the notice of meeting which shall include as an item of business the appointment of additional Directors.

11.1 Save as provided in the following Article, no business shall be transacted at any meeting unless a quorum is present in person or by proxy. A quorum is as follows:

- (a) if the Company has only one Member: that Member;
- (b) if the Company has more than one Member: two or more Members holding Shares that represent not less than fifty percent of the outstanding Shares of the Company carrying the right to vote at such general meeting.

Lack of quorum

11.2 If a quorum is not present within half an hour of the time appointed for the meeting, or if at any time during the meeting it becomes inquorate, then the following provisions apply:

- (a) If the meeting was requisitioned by Members, it shall be cancelled.

- (b) In any other case, the meeting shall stand adjourned to the same day in the next week, at the same time and place, or to such other time or place as is determined by the Directors. If a quorum is not present within half an hour of the time appointed for the adjourned meeting, then the Members present in person or by proxy shall constitute a quorum. Unless the meeting is adjourned to a specific date, time and place announced on the meeting being adjourned, fresh notice of the resumption of the meeting shall be given to each Member entitled to attend and vote thereat in accordance with these Articles.

Chairman

- 11.3 The chairman of a general meeting shall be the chairman of the Board or such other Director as the Directors have nominated to chair Board meetings in the absence of the chairman of the Board. Absent any such person being present within fifteen minutes of the time appointed for the meeting, the Directors present shall elect one of their number to chair the meeting.
- 11.4 If no Director is present within fifteen minutes of the time appointed for the meeting, or if no Director is willing to act as chairman, the Members present in person or by proxy and entitled to vote shall choose one of their number to chair the meeting.

Right of a Director to attend and speak

- 11.5 Even if a Director is not a Member, he shall be entitled to attend and speak at any general meeting and at any separate meeting of Members holding a particular class of Shares.

Accommodation of Members at meeting

- 11.6 If it appears to the chairman of the meeting that the meeting place specified in the notice convening the meeting is inadequate to accommodate all Members entitled and wishing to attend, the meeting will be duly constituted and its proceedings valid if the chairman is satisfied that adequate facilities are available to ensure that a Member who is unable to be accommodated is able (whether at the meeting place or elsewhere):
 - (a) to participate in the business for which the meeting has been convened;
 - (b) to hear and see all persons present who speak (whether by the use of microphones, loud-speakers, audio-visual communications equipment or otherwise); and
 - (c) to be heard and seen by all other persons present in the same way.

Security

- 11.7 In addition to any measures which the Board may be required to take due to the location or venue of the meeting, the Board may make any arrangement and impose any restriction it considers appropriate and reasonable in the circumstances to ensure the security of a meeting including, without limitation, the searching of any person attending the meeting and the imposing of restrictions on the items of personal property that may be taken into the meeting place. The Board may refuse entry to, or eject from, a meeting a person who refuses to comply with any such arrangements or restrictions.

Adjournment

- 11.8 The chairman may at any time adjourn a meeting with the consent of the Members constituting a quorum. The chairman must adjourn the meeting if so directed by the meeting. No business, however, can be transacted at an adjourned meeting other than business which might properly have been transacted at the original meeting.
- 11.9 Should a meeting be adjourned for more than 7 Clear Days, whether because of a lack of quorum or otherwise, Members shall be given at least seven Clear Days' notice of the date, time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise it shall not be necessary to give any notice of the adjournment.

Method of voting

- 11.10 A resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is required by the rules of the Designated Stock Exchange or before, or on, the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll, a poll is duly demanded. Subject to the Act, a poll may be demanded:
- (a) by the chairman of the meeting;
 - (b) by at least three Members present in person or by proxy having the right to vote on the resolutions; or
 - (c) by any Member or Members present who, individually or collectively, hold at least fifteen per cent of the voting rights of all those who have a right to vote on the resolution.

Outcome of vote by show of hands

- 11.11 Unless a poll is duly demanded, a declaration by the chairman as to the result of a resolution and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the outcome of a show of hands without proof of the number or proportion of the votes recorded in favour of or against the resolution.

Withdrawal of demand for a poll

- 11.12 The demand for a poll may be withdrawn before the poll is taken, but only with the consent of the chairman. The chairman shall announce any such withdrawal to the meeting and, unless another person forthwith demands a poll, any earlier show of hands on that resolution shall be treated as the vote on that resolution; if there has been no earlier show of hands, then the resolution shall be put to the vote of the meeting.

Taking of a poll

- 11.13 A poll demanded on the election of a chairman and the question of adjournment shall be taken immediately.
- 11.14 A poll demanded on any other question shall be taken either immediately or at an adjourned meeting at such time and place as the chairman directs, not being more than thirty Clear Days after the poll was demanded.
- 11.15 The demand for a poll shall not prevent the meeting continuing to transact any business other than the question on which the poll was demanded.
- 11.16 A poll shall be taken in such manner as the chairman directs. He may appoint scrutineers (who need not be Members) and fix a place and time for declaring the result of the poll. If, through the aid of technology, the meeting is held in more than one place, the chairman may appoint scrutineers in more than one place; but if he considers that the poll cannot be effectively monitored at that meeting, the chairman shall adjourn the holding of the poll to a date, place and time when that can occur.

Chairman's casting vote

- 11.17 In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall not be entitled to a second or casting vote.

Written resolutions

- 11.18 Members may pass a resolution in writing without holding a meeting if the following conditions are met:
- (a) all Members entitled to vote are given notice of the resolution as if the same were being proposed at a meeting of Members;
 - (b) all Members entitled so to vote;
 - (i) sign a document; or
 - (ii) sign several documents in the like form each signed by one or more of those Members; and
 - (c) the signed document or documents is or are delivered to the Company, including, if the Company so nominates, by delivery of an Electronic Record by Electronic means to the address specified for that purpose.
 - (d) Such written resolution shall be as effective as if it had been passed at a meeting of the Members entitled to vote duly convened and held.

- 11.19 If a written resolution is described as a Special Resolution or as an Ordinary Resolution, it has effect accordingly.
- 11.20 The Directors may determine the manner in which written resolutions shall be put to Members. In particular, they may provide, in the form of any written resolution, for each Member to indicate, out of the number of votes the Member would have been entitled to cast at a meeting to consider the resolution, how many votes he wishes to cast in favour of the resolution and how many against the resolution or to be treated as abstentions. The result of any such written resolution shall be determined on the same basis as on a poll.

Sole-Member Company

- 11.21 If the Company has only one Member, and the Member records in writing his decision on a question, that record shall constitute both the passing of a resolution and the minute of it.

12 Voting rights of Members

Right to vote

- 12.1 Unless their Shares carry no right to vote, or unless a call or other amount presently payable has not been paid, all Members are entitled to vote at a general meeting, whether on a show of hands or on a poll, and all Members holding Shares of a particular class of Shares are entitled to vote at a meeting of the holders of that class of Shares.
- 12.2 Members may vote in person or by proxy. Subject to the Act and these Articles, any question proposed for the consideration of the Members at any general meeting shall be decided by the affirmative votes of a majority of the votes cast in accordance with these Articles and in the case of an equality of votes, the resolution shall fail.
- 12.3 On a show of hands, every Member shall have one vote. For the avoidance of doubt, an individual who represents two or more Members, including a Member in that individual's own right, that individual shall be entitled to a separate vote for each Member.
- 12.4 On a poll a Member shall have one vote for each Share he holds, unless any Share carries special voting rights.
- 12.5 No Member is bound to vote on his Shares or any of them; nor is he bound to vote each of his Shares in the same way.

Rights of joint holders

- 12.6 If Shares are held jointly, only one of the joint holders may vote. If more than one of the joint holders tenders a vote, the vote of the holder whose name in respect of those Shares appears first in the register of Members shall be accepted to the exclusion of the votes of the other joint holder.

Representation of corporate Members

- 12.7 Save where otherwise provided, a corporate Member must act by a duly authorised representative.
- 12.8 A corporate Member wishing to act by a duly authorised representative must identify that person to the Company by notice in writing.
- 12.9 The authorisation may be for any period of time, and must be delivered to the Company before the commencement of the meeting at which it is first used.
- 12.10 The Directors of the Company may require the production of any evidence which they consider necessary to determine the validity of the notice.
- 12.11 Where a duly authorised representative is present at a meeting that Member is deemed to be present in person; and the acts of the duly authorised representative are personal acts of that Member.
- 12.12 A corporate Member may revoke the appointment of a duly authorised representative at any time by notice to the Company; but such revocation will not affect the validity of any acts carried out by the duly authorised representative before the Directors of the Company had actual notice of the revocation.

Member with mental disorder

- 12.13 A Member in respect of whom an order has been made by any court having jurisdiction (whether in the Cayman Islands or elsewhere) in matters concerning mental disorder may vote, whether on a show of hands or on a poll, by that Member's receiver, *curator bonis* or other person authorised in that behalf appointed by that court.
- 12.14 For the purpose of the preceding Article, evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote must be received not less than 24 hours before holding the relevant meeting or the adjourned meeting in any manner specified for the delivery of forms of appointment of a proxy, whether in writing or by Electronic means. In default, the right to vote shall not be exercisable.

Objections to admissibility of votes

- 12.15 An objection to the validity of a person's vote may only be raised at the meeting or at the adjourned meeting at which the vote is sought to be tendered. Any objection duly made shall be referred to the chairman whose decision shall be final and conclusive.

Form of proxy

- 12.16 An instrument appointing a proxy shall be in any common form or in any other form approved by the Directors.

12.17 The instrument must be in writing and signed in one of the following ways:

- (a) by the Member; or
- (b) by the Member's authorised attorney; or
- (c) if the Member is a corporation or other body corporate, under seal or signed by an authorised officer, secretary or attorney.

If the Directors so resolve, the Company may accept an Electronic Record of that instrument delivered in the manner specified below and otherwise satisfying the Articles about authentication of Electronic Records.

12.18 The Directors may require the production of any evidence which they consider necessary to determine the validity of any appointment of a proxy.

12.19 A Member may revoke the appointment of a proxy at any time by notice to the Company duly signed in accordance with Article 12.17.

12.20 No revocation by a Member of the appointment of a proxy made in accordance with Article 12.19 will affect the validity of any acts carried out by the relevant proxy before the Directors of the Company had actual notice of the revocation.

How and when proxy is to be delivered

12.21 Subject to the following Articles, the Directors may, in the notice convening any meeting or adjourned meeting, or in an instrument of proxy sent out by the Company, specify the manner by which the instrument appointing a proxy shall be deposited and the place and the time (being not later than the time appointed for the commencement of the meeting or adjourned meeting to which the proxy relates) at which the instrument appointing a proxy shall be deposited. In the absence of any such direction from the Directors in the notice convening any meeting or adjourned meeting or in an instrument of proxy sent out by the Company, the form of appointment of a proxy and any authority under which it is signed (or a copy of the authority certified notarially or in any other way approved by the Directors) must be delivered so that it is received by the Company before the time for holding the meeting or adjourned meeting at which the person named in the form of appointment of proxy proposes to vote. They must be delivered in either of the following ways:

- (a) In the case of an instrument in writing, it must be left at or sent by post:
 - (i) to the registered office of the Company; or
 - (ii) to such other place within the Cayman Islands specified in the notice convening the meeting or in any form of appointment of proxy sent out by the Company in relation to the meeting.

- (b) If, pursuant to the notice provisions, a notice may be given to the Company in an Electronic Record, an Electronic Record of an appointment of a proxy must be sent to the address specified pursuant to those provisions unless another address for that purpose is specified:
 - (i) in the notice convening the meeting; or
 - (ii) in any form of appointment of a proxy sent out by the Company in relation to the meeting; or
 - (iii) in any invitation to appoint a proxy issued by the Company in relation to the meeting.
- (c) Notwithstanding Article 12.21(a) and Article 12.21(b), the chairman of the Company may, in any event at his discretion, direct that an instrument of proxy shall be deemed to have been duly deposited.

12.22 Where a poll is taken:

- (a) if it is taken more than seven Clear Days after it is demanded, the form of appointment of a proxy and any accompanying authority (or an Electronic Record of the same) must be delivered in accordance with Article 12.21 before the time appointed for the taking of the poll;
- (b) if it to be taken within seven Clear Days after it was demanded, the form of appointment of a proxy and any accompanying authority (or an Electronic Record of the same) must be delivered in accordance with Article 12.21 before the time appointed for the taking of the poll.

12.23 If the form of appointment of proxy is not delivered on time, it is invalid.

12.24 When two or more valid but differing appointments of proxy are delivered or received in respect of the same Share for use at the same meeting and in respect of the same matter, the one which is last validly delivered or received (regardless of its date or of the date of its execution) shall be treated as replacing and revoking the other or others as regards that Share. If the Company is unable to determine which appointment was last validly delivered or received, none of them shall be treated as valid in respect of that Share.

12.25 The Board may at the expense of the Company send forms of appointment of proxy to the Members by post (that is to say, pre-paying and posting a letter), or by Electronic communication or otherwise (with or without provision for their return by pre-paid post) for use at any general meeting or at any separate meeting of the holders of any class of Shares, either blank or nominating as proxy in the alternative any one or more of the Directors or any other person. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the Company's expense, they shall be issued to all (and not to some only) of the Members entitled to be sent notice of the meeting and to vote at it. The accidental omission to send such a form of appointment or to give such an invitation to, or the non-receipt of such form of appointment by, any Member entitled to attend and vote at a meeting shall not invalidate the proceedings at that meeting

Voting by proxy

- 12.26 A proxy shall have the same voting rights at a meeting or adjourned meeting as the Member would have had except to the extent that the instrument appointing him limits those rights. Notwithstanding the appointment of a proxy, a Member may attend and vote at a meeting or adjourned meeting. If a Member votes on any resolution a vote by his proxy on the same resolution, unless in respect of different Shares, shall be invalid.
- 12.27 The instrument appointing a proxy to vote at a meeting shall be deemed also to confer authority to demand or join in demanding a poll and, for the purposes of Article 11.11, a demand by a person as proxy for a Member shall be the same as a demand by a Member. Such appointment shall not confer any further right to speak at the meeting, except with the permission of the chairman of the meeting.
- 13 Number of Directors
- 13.1 Subject to Article 14.8, there shall be a Board consisting of not less than one person provided however that the Company may by Ordinary Resolution increase or reduce the limits in the number of Directors. Unless fixed by Ordinary Resolution, the maximum number of Directors shall be unlimited.

- 14.3 Unless prohibited by law, a body corporate may be a Director. If a body corporate is a Director, the Articles about representation of corporate Members at general meetings apply, mutatis mutandis, to the Articles about Directors' meetings.

No shareholding qualification

- 14.4 Unless a shareholding qualification for Directors is fixed by Ordinary Resolution, no Director shall be required to own Shares as a condition of his appointment.

Appointment of Directors

- 14.5 A Director may be appointed by Ordinary Resolution or by the Directors. Any appointment may be to fill a vacancy or as an additional Director.
- 14.6 A remaining Director may appoint a Director even though there is not a quorum of Directors.
- 14.7 No appointment can cause the number of Directors to exceed the maximum (if one is set); and any such appointment shall be invalid.
- 14.8 For so long as Shares or ADSs are listed on a Designated Stock Exchange, the Directors shall include at least such number of Independent Directors as applicable law, rules or regulations or the Designated Stock Exchange Rules require as determined by the Board.

Board's power to appoint Directors

- 14.9 Without prejudice to the Company's power to appoint a person to be a Director pursuant to these Articles, the Board shall have power at any time to appoint any person who is willing to act as a Director, either to fill a vacancy or as an addition to the existing Board, subject to the total number of Directors not exceeding any maximum number fixed by or in accordance with these Articles.
- 14.10 Any Director so appointed shall, if still a Director, retire at the next annual general meeting after his appointment and be eligible to stand for election as a Director at such meeting.

Eligibility

- 14.11 No person (other than a Director retiring in accordance with these Articles) shall be appointed or re-appointed a Director at any general meeting unless:
- (a) he is recommended by the Board; or
 - (b) not less than seven nor more than forty-two Clear Days before the date appointed for the meeting, a Member (other than the person to be proposed) entitled to vote at the meeting has given to the Company notice of his intention to propose a resolution for the appointment of that person, stating the particulars which would, if he were so appointed, be required to be included in the Company's register of Directors and a notice executed by that person of his willingness to be appointed.

Appointment at annual general meeting

- 14.12 Unless re-appointed pursuant to the provisions of Article 14.5 or removed from office pursuant to the provisions of Article 14.13, each Director shall be appointed for a term expiring at the next-following annual general meeting of the Company. At any such annual general meeting, Directors will be elected by Ordinary Resolution. At each annual general meeting of the Company, each Director elected at such meeting shall be elected to hold office for a one-year term and until the election of their respective successors in office or removal pursuant to Articles 14.5 and 14.13.

Removal of Directors

14.13 A Director may be removed by Ordinary Resolution, whether or not appointing another in his stead.

Resignation of Directors

14.14 A Director may at any time resign office by giving to the Company notice in writing or, if permitted pursuant to the notice provisions, in an Electronic Record delivered in either case in accordance with those provisions.

14.15 Unless the notice specifies a different date, the Director shall be deemed to have resigned on the date that the notice is delivered to the Company.

Termination of the office of Director

14.16 A Director may retire from office as a Director by giving notice in writing to that effect to the Company at the registered office, which notice shall be effective upon such date as may be specified in the notice, failing which upon delivery to the registered office.

14.17 Without prejudice to the provisions in these Articles for retirement (by rotation or otherwise), a Director's office shall be terminated forthwith if:

- (g) he is made subject to any law relating to mental health or incompetence, whether by court order or otherwise; or
- (h) without the consent of the other Directors, he is absent from meetings of Directors for a continuous period of six months.

- 15.1 Any Director may appoint any other person, including another Director, to act in his place as an alternate Director. No appointment shall take effect until the Director has given notice of the appointment to the Board.
- 15.2 A Director may revoke his appointment of an alternate at any time. No revocation shall take effect until the Director has given notice of the revocation to the Board.
- 15.3 A notice of appointment or removal of an alternate Director shall be effective only if given to the Company by one or more of the following methods:

 - (b) if the Company has a facsimile address for the time being, by sending by facsimile transmission to that facsimile address a facsimile copy or, otherwise, by sending by facsimile transmission to the facsimile address of the Company's registered office a facsimile copy (in either case, the facsimile copy being deemed to be the notice unless Article 29.7 applies), in which event notice shall be taken to be given on the date of an error-free transmission report from the sender's fax machine;
 - (c) if the Company has an email address for the time being, by emailing to that email address a scanned copy of the notice as a PDF attachment or, otherwise, by emailing to the email address provided by the Company's registered office a scanned copy of the notice as a PDF attachment (in either case, the PDF version being deemed to be the notice unless Article 29.7 applies), in which event notice shall be taken to be given on the date of receipt by the Company or the Company's registered office (as appropriate) in readable form; or
 - (d) if permitted pursuant to the notice provisions, in some other form of approved Electronic Record delivered in accordance with those provisions in writing.

Notices

- 15.4 All notices of meetings of Directors shall continue to be given to the appointing Director and not to the alternate.

Rights of alternate Director

- 15.5 An alternate Director shall be entitled to attend and vote at any Board meeting or meeting of a committee of the Directors at which the appointing Director is not personally present, and generally to perform all the functions of the appointing Director in his absence. An alternate Director, however, is not entitled to receive any remuneration from the Company for services rendered as an alternate Director.

Appointment ceases when the appointor ceases to be a Director

15.6 An alternate Director shall cease to be an alternate Director if:

- (a) the Director who appointed him ceases to be a Director; or
- (b) the Director who appointed him revokes his appointment by notice delivered to the Board or to the registered office of the Company or in any other manner approved by the Board; or
- (c) in any event happens in relation to him which, if he were a Director of the Company, would cause his office as Director to be vacated.

15.7 An alternate Director shall carry out all functions of the Director who made the appointment.

15.8 Save where otherwise expressed, an alternate Director shall be treated as a Director under these Articles.

15.9 An alternate Director is not the agent of the Director appointing him.

16.5 The appointee must consent in writing to holding that office.

16.6 Where a chairman is appointed he shall, unless unable to do so, preside at every meeting of Directors.

Exercise of voting rights

- 16.12 The Board may exercise the voting power conferred by the Shares in any body corporate held or owned by the Company in such manner in all respects as it thinks fit (including, without limitation, the exercise of that power in favour of any resolution appointing any Director as a Director of such body corporate, or voting or providing for the payment of remuneration to the Directors of such body corporate).

- 17.1 The Directors may delegate any of their powers to any committee consisting of one or more persons who need not be Members. Persons on the committee may include non-Directors so long as the majority of those persons are Directors. Any such committee shall be made up of such number of Independent Directors as required from time to time by the Designated Stock Exchange Rules or otherwise required by applicable law.
- 17.2 The delegation may be collateral with, or to the exclusion of, the Directors' own powers.

- 17.7 The Board may delegate to any local or divisional board, manager or agent any of its powers and authorities (with power to sub-delegate) and may authorise the members of any local or divisional board or any of them to fill any vacancies and to act notwithstanding vacancies.
- 17.8 Any appointment or delegation under this Article 17.8 may be made on such terms and subject to such conditions as the Board thinks fit and the Board may remove any person so appointed, and may revoke or vary any delegation.

Power to appoint an agent of the Company

- 17.9 The Directors may appoint any person, either generally or in respect of any specific matter, to be the agent of the Company with or without authority for that person to delegate all or any of that person's powers. The Directors may make that appointment:

 - (b) with the powers, authorities and discretions;
 - (c) for the period; and
 - (d) subject to such conditions

as they think fit. The powers, authorities and discretions, however, must not exceed those vested in, or exercisable, by the Directors under these Articles. The Directors may do so by power of attorney or any other manner they think fit.

- 17.11 Any power of attorney or other appointment may contain such provision for the protection and convenience for persons dealing with the attorney or authorised signatory as the Directors think fit. Any power of attorney or other appointment may also authorise the attorney or authorised signatory to delegate all or any of the powers, authorities and discretions vested in that person.
- 17.12 The Board may remove any person appointed under Article 17.10 and may revoke or vary the delegation.

Borrowing Powers

- 17.13 The Directors may exercise all the powers of the Company to borrow money and to mortgage or charge its undertaking, property and assets both present and future and uncalled capital, or any part thereof, and to issue debentures and other securities, whether outright or as collateral security for any debt, liability or obligation of the Company or its parent undertaking (if any) or any subsidiary undertaking of the Company or of any third party.

Corporate Governance

17.14 The Board may, from time to time, and except as required by applicable law or the Designated Stock Exchange Rules, adopt, institute, amend, modify or revoke the corporate governance policies or initiatives of the Company, which shall be intended to set forth the guiding principles and policies of the Company and the Board on various corporate governance related matters as the Board shall determine by resolution from time to time.

18 Meetings of Directors

18.1 Subject to the provisions of these Articles, the Directors may regulate their proceedings as they think fit.

Calling meetings

18.2 Any Director may call a meeting of Directors at any time. The Secretary must call a meeting of the Directors if requested to do so by a Director.

Notice of meetings

18.3 Notice of a Board meeting may be given to a Director personally or by word of mouth or given in writing or by Electronic communications at such address as he may from time to time specify for this purpose (or, if he does not specify an address, at his last known address). A Director may waive his right to receive notice of any meeting either prospectively or retrospectively.

Use of technology

18.4 A Director may participate in a meeting of Directors through the medium of conference telephone, video or any other form of communications equipment providing all persons participating in the meeting are able to hear and speak to each other throughout the meeting.

18.5 A Director participating in this way is deemed to be present in person at the meeting.

Quorum

18.6 The quorum for the transaction of business at a meeting of Directors shall be two unless the Directors fix some other number.

Chairman or deputy to preside

18.7 The Board may appoint a chairman and one or more deputy chairman or chairmen and may at any time revoke any such appointment.

18.8 The chairman, or failing him any deputy chairman (the longest in office taking precedence if more than one is present), shall preside at all Board meetings. If no chairman or deputy chairman has been appointed, or if he is not present within five minutes after the time fixed for holding the meeting, or is unwilling to act as chairman of the meeting, the Directors present shall choose one of their number to act as chairman of the meeting.

Voting

- 18.9 A question which arises at a Board meeting shall be decided by a majority of votes. If votes are equal the chairman may, if he wishes, exercise a casting vote.

Recording of dissent

- 18.10 A Director present at a meeting of Directors shall be presumed to have assented to any action taken at that meeting unless:

- (a) his dissent is entered in the minutes of the meeting; or
- (b) he has filed with the meeting before it is concluded signed dissent from that action; or
- (c) he has forwarded to the Company as soon as practical following the conclusion of that meeting signed dissent.

A Director who votes in favour of an action is not entitled to record his dissent to it.

Written resolutions

- 18.11 The Directors may pass a resolution in writing without holding a meeting if all Directors sign a document or sign several documents in the like form each signed by one or more of those Directors.

- 18.12 A written resolution signed by a validly appointed alternate Director need not also be signed by the appointing Director.

- 18.13 A written resolution signed personally by the appointing Director need not also be signed by his alternate.

- 18.14 A resolution in writing passed pursuant to Article 18.11, Article 18.12 and/or Article 18.13 shall be as effective as if it had been passed at a meeting of the Directors duly convened and held; and it shall be treated as having been passed on the day and at the time that the last Director signs (and for the avoidance of doubt, such day may or may not be a Business Day).

Validity of acts of Directors in spite of formal defect

- 18.15 All acts done by a meeting of the Board, or of a committee of the Board, or by any person acting as a Director or an alternate Director, shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any Director or alternate Director or member of the committee, or that any of them were disqualified or had vacated office or were not entitled to vote, be as valid as if every such person had been duly appointed and qualified and had continued to be a Director or alternate Director and had been entitled to vote.

19 Permissible Directors' interests and disclosure

19.1 Subject to Article 19.2, a Director may vote at a meeting of Directors on any resolution concerning a matter in which that Director has an interest or duty (an "**Interested Director**"), whether directly or indirectly, so long as that Interested Director discloses the material facts as to the Director's interest and as to the contract or transaction pursuant to these Articles. An Interested Director who have complied with the foregoing requirement for disclosure of interest shall be counted towards a quorum of those present at the meeting and if the Interested Director votes on the resolution, his vote shall be counted.

19.2 A Director shall not, as a Director, vote in respect of any contract, transaction, arrangement or proposal in which he has an interest which (together with any interest of any person connected with him) is a material interest (otherwise than by virtue of his interests, direct or indirect, in Shares or debentures or other securities of, or otherwise in or through, the Company) and if he shall do so his vote shall not be counted, nor in relation thereto shall he be counted in the quorum present at the meeting, but (in the absence of some other material interest than is mentioned below) none of these prohibitions shall apply to:

- (a) the giving of any security, guarantee or indemnity in respect of:
 - (i) money lent or obligations incurred by him or by any other person for the benefit of the Company or any of its subsidiaries; or
 - (ii) a debt or obligation of the Company or any of its subsidiaries for which the Director himself has assumed responsibility in whole or in part and whether alone or jointly with others under a guarantee or indemnity or by the giving of security;
- (b) where the Company or any of its subsidiaries is offering securities in which offer the Director is or may be entitled to participate as a holder of securities or in the underwriting or sub-underwriting of which the Director is to or may participate;
- (c) any contract, transaction, arrangement or proposal affecting any other body corporate in which he is interested, directly or indirectly and whether as an officer, shareholder, creditor or otherwise howsoever, provided that he (together with persons connected with him) does not to his knowledge hold an interest representing one per cent or more of any class of the equity share capital of such body corporate (or of any third body corporate through which his interest is derived) or of the voting rights available to members of the relevant body corporate (any such interest being deemed for the purposes of this Article 19.2 to be a material interest in all circumstances);
- (d) any act or thing done or to be done in respect of any arrangement for the benefit of the employees of the Company or any of its subsidiaries under which he is not accorded as a Director any privilege or advantage not generally accorded to the employees to whom such arrangement relates; or

(e) any matter connected with the purchase or maintenance for any Director of insurance against any liability or (to the extent permitted by the Act) indemnities in favour of Directors, the funding of expenditure by one or more Directors in defending proceedings against him or them or the doing of any thing to enable such Director or Directors to avoid incurring such expenditure.

19.3 A Director may, as a Director, vote (and be counted in the quorum) in respect of any contract, transaction, arrangement or proposal in which he has an interest which is not a material interest or which falls within Article19.2.

20 Minutes

20.1 The Company shall cause minutes to be made in books of:

- (a) all appointments of Officers and committees made by the Board and of any such Officer's remuneration; and
- (b) the names of Directors present at every meeting of the Directors, a committee of the Board, the Company or the holders of any class of shares or debentures, and all orders, resolutions and proceedings of such meetings.

20.2 Any such minutes, if purporting to be signed by the chairman of the meeting at which the proceedings were held or by the chairman of the next succeeding meeting or the Secretary, shall be prima facie evidence of the matters stated in them.

21 Accounts and audit

21.1 The Directors must ensure that proper accounting and other records are kept, and that accounts and associated reports are distributed in accordance with the requirements of the Act.

21.2 The books of account shall be kept at the registered office of the Company and shall always be open to inspection by the Directors. No Member (other than a Director) shall have any right of inspecting any account or book or document of the Company except as conferred by the Act or as authorised by the Directors or by Ordinary Resolution.

21.3 Unless the Directors otherwise prescribe, the financial year of the Company shall end on 31 December in each year and begin on 1 January in each year.

Auditors

21.4 The Directors may appoint an Auditor of the Company who shall hold office on such terms as the Directors determine.

- 21.5 At any general meeting convened and held at any time in accordance with these Articles, the Members may, by Ordinary Resolution, remove the Auditor before the expiration of his term of office. If they do so, the Members shall, by Ordinary Resolution, at that meeting appoint another Auditor in his stead for the remainder of his term.
- 21.6 The Auditors shall examine such books, accounts and vouchers; as may be necessary for the performance of their duties.
- 21.7 The Auditors shall, if so requested by the Directors, make a report on the accounts of the Company during their tenure of office at the next annual general meeting following their appointment, and at any time during their term of office, upon request of the Directors or any general meeting of the Company.

22 Record dates

- 22.1 Except to the extent of any conflicting rights attached to Shares, the resolution declaring a dividend on Shares of any class, whether it be an Ordinary Resolution of the Members or a Director's resolution, may specify that the dividend is payable or distributable to the persons registered as the holders of those Shares at the close of business on a particular date, notwithstanding that the date may be a date prior to that on which the resolution is passed.
- 22.2 If the resolution does so specify, the dividend shall be payable or distributable to the persons registered as the holders of those Shares at the close of business on the specified date in accordance with their respective holdings so registered, but without prejudice to the rights *inter se* in respect of the dividend of transferors and transferees of any of those Shares.
- 22.3 The provisions of this Article apply, *mutatis mutandis*, to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

23 Dividends

Source of dividends

- 23.1 Dividends may be declared and paid out of any funds of the Company lawfully available for distribution.
- 23.2 Subject to the requirements of the Act regarding the application of a company's Share premium account and with the sanction of an Ordinary Resolution, dividends may also be declared and paid out of any share premium account.

Declaration of dividends by Members

- 23.3 Subject to the provisions of the Act, the Company may by Ordinary Resolution declare dividends in accordance with the respective rights of the Members but no dividend shall exceed the amount recommended by the Directors.

Payment of interim dividends and declaration of final dividends by Directors

- 23.4 The Directors may declare and pay interim dividends or recommend final dividends in accordance with the respective rights of the Members if it appears to them that they are justified by the financial position of the Company and that such dividends may lawfully be paid.
- 23.5 Subject to the provisions of the Act, in relation to the distinction between interim dividends and final dividends, the following applies:
- (a) Upon determination to pay a dividend or dividends described as interim by the Directors in the dividend resolution, no debt shall be created by the declaration until such time as payment is made.
 - (b) Upon declaration of a dividend or dividends described as final by the Directors in the dividend resolution, a debt shall be created immediately following the declaration, the due date to be the date the dividend is stated to be payable in the resolution.

If the resolution fails to specify whether a dividend is final or interim, it shall be assumed to be interim.

- 23.6 In relation to Shares carrying differing rights to dividends or rights to dividends at a fixed rate, the following applies:
- (a) If the share capital is divided into different classes, the Directors may pay dividends on Shares which confer deferred or non-preferred rights with regard to dividends as well as on Shares which confer preferential rights with regard to dividends but no dividend shall be paid on Shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrears.
 - (b) The Directors may also pay, at intervals settled by them, any dividend payable at a fixed rate if it appears to them that there are sufficient funds of the Company lawfully available for distribution to justify the payment.
 - (c) If the Directors act in good faith, they shall not incur any liability to the Members holding Shares conferring preferred rights for any loss those Members may suffer by the lawful payment of the dividend on any Shares having deferred or non-preferred rights.

Apportionment of dividends

- 23.7 Except as otherwise provided by the rights attached to Shares all dividends shall be declared and paid according to the amounts Paid Up on the Shares on which the dividend is paid. All dividends shall be apportioned and paid proportionately to the amount Paid Up on the Shares during the time or part of the time in respect of which the dividend is paid. But if a Share is issued on terms providing that it shall rank for dividend as from a particular date, that Share shall rank for dividend accordingly.

Right of set off

- 23.8 The Directors may deduct from a dividend or any other amount payable to a person in respect of a Share any amount due by that person to the Company on a call or otherwise in relation to a Share.

Power to pay other than in cash

- 23.9 If the Directors so determine, any resolution declaring a dividend may direct that it shall be satisfied wholly or partly by the distribution of assets. If a difficulty arises in relation to the distribution, the Directors may settle that difficulty in any way they consider appropriate. For example, they may do any one or more of the following:
- (a) issue fractional Shares;
 - (b) fix the value of assets for distribution and make cash payments to some Members on the footing of the value so fixed in order to adjust the rights of Members; and
 - (c) vest some assets in trustees.

How payments may be made

- 23.10 A dividend or other monies payable on or in respect of a Share may be paid in any of the following ways:
- (a) if the Member holding that Share or other person entitled to that Share nominates a bank account for that purpose - by wire transfer to that bank account; or
 - (b) by cheque or warrant sent by post to the registered address of the Member holding that Share or other person entitled to that Share.
- 23.11 For the purposes of Article 23.10(a), the nomination may be in writing or in an Electronic Record and the bank account nominated may be the bank account of another person. For the purposes of Article 23.10(b), subject to any applicable law or regulation, the cheque or warrant shall be made to the order of the Member holding that Share or other person entitled to the Share or to his nominee, whether nominated in writing or in an Electronic Record, and payment of the cheque or warrant shall be a good discharge to the Company.
- 23.12 If two or more persons are registered as the holders of the Share or are jointly entitled to it by reason of the death or bankruptcy of the registered holder (**Joint Holders**), a dividend (or other amount) payable on or in respect of that Share may be paid as follows:
- (a) to the registered address of the Joint Holder of the Share who is named first on the register of Members or to the registered address of the deceased or bankrupt holder, as the case may be; or

- (b) to the address or bank account of another person nominated by the Joint Holders, whether that nomination is in writing or in an Electronic Record.

23.13 Any Joint Holder of a Share may give a valid receipt for a dividend (or other amount) payable in respect of that Share.

Dividends or other monies not to bear interest in absence of special rights

23.14 Unless provided for by the rights attached to a Share, no dividend or other monies payable by the Company in respect of a Share shall bear interest.

Dividends unable to be paid or unclaimed

23.15 If a dividend cannot be paid to a Member or remains unclaimed within six weeks after it was declared or both, the Directors may pay it into a separate account in the Company's name. If a dividend is paid into a separate account, the Company shall not be constituted trustee in respect of that account and the dividend shall remain a debt due to the Member.

23.16 A dividend that remains unclaimed for a period of six years after it became due for payment shall be forfeited to, and shall cease to remain owing by, the Company.

24 Capitalisation of profits

Capitalisation of profits or of any share premium account or capital redemption reserve;

24.1 The Directors may resolve to capitalise:

- (a) any part of the Company's profits not required for paying any preferential dividend (whether or not those profits are available for distribution); or
- (b) any sum standing to the credit of the Company's share premium account or capital redemption reserve, if any.

24.2 The amount resolved to be capitalised must be appropriated to the Members who would have been entitled to it had it been distributed by way of dividend and in the same proportions. The benefit to each Member so entitled must be given in either or both of the following ways::

- (a) by paying up the amounts unpaid on that Member's Shares;
- (b) by issuing Fully Paid Up Shares, debentures or other securities of the Company to that Member or as that Member directs. The Directors may resolve that any Shares issued to the Member in respect of Partly Paid Up Shares (**Original Shares**) rank for dividend only to the extent that the Original Shares rank for dividend while those Original Shares remain Partly Paid Up.

Applying an amount for the benefit of Members

- 24.3 The amount capitalised must be applied to the benefit of Members in the proportions to which the Members would have been entitled to dividends if the amount capitalised had been distributed as a dividend.
- 24.4 Subject to the Act, if a fraction of a Share, a debenture or other security is allocated to a Member, the Directors may issue a fractional certificate to that Member or pay him the cash equivalent of the fraction.

25 Share Premium Account

Directors to maintain share premium account

- 25.1 The Directors shall establish a share premium account in accordance with the Act. They shall carry to the credit of that account from time to time an amount equal to the amount or value of the premium paid on the issue of any Share or capital contributed or such other amounts required by the Act.

Debits to share premium account

- 25.2 The following amounts shall be debited to any share premium account:
- (a) on the redemption or purchase of a Share, the difference between the nominal value of that Share and the redemption or purchase price; and
 - (b) any other amount paid out of a share premium account as permitted by the Act.
- 25.3 Notwithstanding the preceding Article, on the redemption or purchase of a Share, the Directors may pay the difference between the nominal value of that Share and the redemption purchase price out of the profits of the Company or, as permitted by the Act, out of capital.

26 Seal

Company seal

- 26.1 The Company may have a seal if the Directors so determine.

Duplicate seal

- 26.2 Subject to the provisions of the Act, the Company may also have a duplicate seal or seals for use in any place or places outside the Cayman Islands. Each duplicate seal shall be a facsimile of the original seal of the Company. However, if the Directors so determine, a duplicate seal shall have added on its face the name of the place where it is to be used.

When and how seal is to be used

26.3 A seal may only be used by the authority of the Directors. Unless the Directors otherwise determine, a document to which a seal is affixed must be signed in one of the following ways:

- (a) by a Director (or his alternate) and the Secretary; or
- (b) by a single Director (or his alternate).

If no seal is adopted or used

26.4 If the Directors do not adopt a seal, or a seal is not used, a document may be executed in the following manner:

- (a) by a Director (or his alternate) and the Secretary; or
- (b) by a single Director (or his alternate); or
- (c) in any other manner permitted by the Act.

Power to allow non-manual signatures and facsimile printing of seal

26.5 The Directors may determine that either or both of the following applies:

- (a) that the seal or a duplicate seal need not be affixed manually but may be affixed by some other method or system of reproduction;
- (b) that a signature required by these Articles need not be manual but may be a mechanical or Electronic Signature.

Validity of execution

26.6 If a document is duly executed and delivered by or on behalf of the Company, it shall not be regarded as invalid merely because, at the date of the delivery, the Secretary, or the Director, or other Officer or person who signed the document or affixed the seal for and on behalf of the Company ceased to be the Secretary or hold that office and authority on behalf of the Company.

27 Indemnity

27.1 To the extent permitted by law, the Company shall indemnify each existing or former Director (including alternate Director), Secretary and other Officer of the Company (including an investment adviser or an administrator or liquidator) and their personal representatives against:

- (a) all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by the existing or former Director (including alternate Director), Secretary or Officer in or about the conduct of the Company's business or affairs or in the execution or discharge of the existing or former Director's (including alternate Director's), Secretary's or Officer's duties, powers, authorities or discretions; and

No such existing or former Director (including alternate Director), Secretary or Officer, however, shall be indemnified in respect of any matter arising out of his own dishonesty.

- 27.2 To the extent permitted by Act, the Company may make a payment, or agree to make a payment, whether by way of advance, loan or otherwise, for any legal costs incurred by an existing or former Director (including alternate Director), Secretary or Officer of the Company in respect of any matter identified in Article 27.1 on condition that the Director (including alternate Director), Secretary or Officer must repay the amount paid by the Company to the extent that it is ultimately found not liable to indemnify the Director (including alternate Director), Secretary or that Officer for those legal costs.

Release

- 27.3 To the extent permitted by Act, the Company may by Special Resolution release any existing or former Director (including alternate Director), Secretary or other Officer of the Company from liability for any loss or damage or right to compensation which may arise out of or in connection with the execution or discharge of the duties, powers, authorities or discretions of his office; but there may be no release from liability arising out of or in connection with that person's own dishonesty.

Insurance

- 27.4 To the extent permitted by Act, the Company may pay, or agree to pay, a premium in respect of a contract insuring each of the following persons against risks determined by the Directors, other than liability arising out of that person's own dishonesty:
 - (a) an existing or former Director (including alternate Director), Secretary or Officer or auditor of:
 - (i) the Company;
 - (ii) a company which is or was a subsidiary of the Company;
 - (iii) a company in which the Company has or had an interest (whether direct or indirect); and

- (c) Article 29.7 does not apply.

29.3 For example, where a sole Member signs a resolution and sends the Electronic Record of the original resolution, or causes it to be sent, by facsimile transmission to the address in these Articles specified for that purpose, the facsimile copy shall be deemed to be the written resolution of that Member unless Article 28.7 applies.
